*Conversion, Doorway to Discipleship* Henry J. Schmidt, 1980-01-01      *Conversion in the New Testament* Richard Peace, 1999 A landmark work in the study of conversion With the tools of scholarship and as a seasoned practitioner Richard Peace explores the New Testament understanding of the turning points of conversion from the night of our captivities to the light of Christ into the church and out to the neighbor in need Our contemporary efforts in evangelism have much to learn from this full orb view of conversion Gabriel Fackre on back cover      *The Maturing Church* Ermias G. Mamo, 2017-12-31 For a church to be considered mature an integrated approach between contextualization discipleship and mission is required Globally the church is facing multiple challenges both from within and from without Despite the challenges however churches in the Majority World continue to grow rapidly But is this growth in numbers accompanied by spiritual depth And is this growth built upon biblical and theological foundations so that the church can play its transforming role in the world In this book Dr Ermias Mamo makes the case for an integrated approach guiding the reader through the topics of discipleship mission and contextualization for which he uses his home country of Ethiopia as a working example Dr Mamo closes with strategies for effective contextualized discipleship and the impact such an approach will have on the future of the church This is a resource that will benefit all who wish to be part of a church that seeks to shape its theological learning institutional structure and core values around their identity in Christ and God given mission      Radical Discipleship Jennifer M. McBride, 2016-12-15 Reminiscent of Bonhoeffer's Discipleship Jennifer McBride's Radical Discipleship utilizes the liturgical seasons as a framework for engaging the social evils of mass incarceration capital punishment and homelessness arguing that to be faithful to the gospel Christians must become disciples of not simply believers in Jesus The book arises out of McBride's extensive experience teaching theology in a women's prison while participating in a residential Christian activist and worshipping community Arguing that disciples must take responsibility for the social evils that bar beloved community Martin Luther King's term for a just social order the promised kingdom of God McBride calls for a dual commitment to the works of mercy and the struggle for justice This work seeks to form readers into an understanding of the social and political character of the good news proclaimed in the Gospels Organically connecting liturgy with activism and theological reflection McBride argues that discipleship requires that privileged Christians place their bodies in spaces of social struggle and distress to reduce the distance between themselves and those who suffer injustice and stand in solidarity with those whom society deems guilty despises and rejects which makes discipleship radical as Christians take seriously the Jesus of the Gospels      **Drawn Away** Jay R. Leach, 2012-09 At the beginning of His earthly ministry Jesus recognized that in addition to the kingdom of God another kingdom was operating here on the earth the kingdom of Satan The two would be in conflict with each other While in heaven as the angel Lucifer Satan tried to usurp Jesus's power and position God removed him from heaven but not before he had drawn away a third of the angels Satan continues his battle today but now it's for the hearts of

God's people Many Christians are drawn away from their godly spirituality through Satan's deceptions and their own lack of biblical knowledge and the stability of a viable biblical worldview In Matthew 4:1-11 Jesus demonstrated how we are to interact with both kingdoms and counter Satan's ungodly brand of spirituality First He showed us that He lived to please God Second He defeated Satan through dependence on the Holy Spirit and the spoken Word of God Third He made that same authority and power available to us corporately and individually We must never attempt anything for God with them see Acts 1:8 As His church our evangelism must seek authentic salvation for our converts that consists of two components conversion and conservation We encourage our new converts to come to Jesus just as they are but we are not to allow them to remain that way They must grow up into mature disciples The church is to carry His commission and make disciples see Matthew 28:18-20 Jesus emphasizes the church's obedience and completion of two activities before any amount of success can be measured baptizing and teaching Here again we find Satan trying to defeat God's purpose As mature disciples we are to victoriously and gloriously live and practice a true godly spirituality in all areas of our lives as examples before the new disciples that counters Satan's ungodly spirituality *Opening the Door of Faith* Jem Sullivan, 2012-11-05 to evangelize does not mean to teach a doctrine but to proclaim Jesus Christ by one's words and actions that is to make oneself an instrument of his presence and action in the world Congregation for the Doctrine of the Faith Doctrinal Note on Some Aspects of Evangelization As baptized Catholics we are all called to be a part of the New Evangelization a renewal and deepening of our faith from which flows our deep desire to share the Good News in every way we live work and play *Opening the Door of Faith* Forming Catechists for the New Evangelization is a practical and insightful guide to living the New Evangelization in our everyday lives **Mirat-i-Ahmadi Supplement: English translation** 'Alī Muḥammad Khān, 1928 *Studies in Formative Spirituality*, 1986 Translation Series Pali Text Society (London, England), 1960 National Union Catalog, 1980 Includes entries for maps and atlases **Birth Canal—Gateway to Glory** Christian O. Nwakaihe M.Div., 2017-11-03 The book content is about seeing the relationship between the narrow way and birth canal and to understand why Jesus said it is difficult and only a few people have found it Every existing thing men and animals made their entrance into the world through the birth canal an exit into God's kingdom must absolutely require a rebirth The rebirth requires passing through a womb like environment In relation to the birth canal infant passage through it only allows one at a time even though there could be a twin or triplets in the womb As the womb is necessary for the infant's preparation to make entrance into the world so is being born again necessary for the adult believer who must be prepared to exit into God's kingdom The believer's age makes no difference Neither does how long a person has been born again make any difference This preparation to enter God's kingdom is what the author calls a 360 U turn National Union Catalog, 1980 **Translation Series** Pali Text Society, 1970 Living the Mission Renovare, 2009-06-02 *Living the Mission* explores what it means to be a Christian today By examining the early Church's struggle in the wake of Jesus's death and resurrection as described in the book of Acts we learn that Jesus

is still with us in the Holy Spirit and that we are called to form communities and follow him Conveniently organized for individual or group study Living the Mission explores the heart of what it means to follow Jesus and be a part of his church The Renovar Spiritual Formation Guides created by Richard Foster and the team behind The Renovar Spiritual Formation Bible helps readers tackle the challenge of becoming spiritually transformed Geared for either individual study or use in small groups the Renovar Spiritual Formation Guides provide readings from Scripture as well as classic and contemporary works of spirituality The combination of readings questions for reflection exercises and activities makes these books invaluable interactive guides to true spiritual growth Renovar from the Latin meaning to renew is an intrachurch movement committed to the renewal of the Church of Jesus Christ in all her multifaceted expressions Founded by bestselling author and well known speaker Richard J Foster Renovar provides individual churches with a balanced practical effective small group strategy for spiritual growth Visit their website at [www.renovare.org](http://www.renovare.org)      *Religion Index Two* ,1976      **The Mennonite Brethren Church** Herbert Giesbrecht,1983      The Mennonite Encyclopedia Harold S. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
