Desperate Justice Bonnie Vanak, 2025-10-28 His work is all that matters But one woman could change all that Rafael Rodriguez is determined to get his man Especially after he narrowly escapes death on the hunt for drug kingpin Hector Hernandez But as the FBI special agent inches closer to his prey he didn't bargain on Allison Lexington After infiltrating the Devil's Patrol his onetime confidential informant's now on the straight and narrow With her sister set to marry Hector's nephew Allison topples headfirst into danger Then her sister vanishes and the motorcycle riding trauma nurse might be the one who needs saving And Rafe's just the one to do it From Harlequin Romantic Suspense Danger Passion Drama **Rough Justice** Adam Croft, 2015-10-29 *Legitimacy and Criminal Justice* Tom R. Tyler, 2007-10-25 The police and the courts depend on the cooperation of communities to keep order But large numbers of urban poor distrust law enforcement officials Legitimacy and Criminal Justice explores the reasons that legal authorities are or are not seen as legitimate and trustworthy by many citizens Legitimacy and Criminal Justice is the first study of the perceived legitimacy of legal institutions outside the U S The authors investigate relations between courts the police and communities in the U K Western Europe South Africa Slovenia South America and Mexico demonstrating the importance of social context in shaping those relations Gorazd Meško and Goran Klemencic examine Slovenia's adoption of Western style community policing during its transition to democracy In the context of Slovenia's recent Communist past when community policing entailed omnipresent social and political control citizens regarded these efforts with great suspicion and offered little cooperation to the police When states fail to control crime informal methods of law can gain legitimacy Jennifer Johnson discusses an extra legal policing system carried out by farmers in Guerrero Mexico complete with sentencing guidelines and initiatives to reintegrate offenders into the community Feeling that federal authorities were not prosecuting the crimes that plagued their province the citizens of Guerrero strongly supported this extra legal arrangement and engaged in massive protests when the central government tried to suppress it Several of the authors examine how the perceived legitimacy of the police and courts varies across social groups Graziella Da Silva Ignacio Cano and Hugo Frhling show that attitudes toward the police vary greatly across social classes in harshly unequal societies like Brazil and Chile And many of the authors find that ethnic minorities often display greater distrust toward the police and perceive themselves to be targets of police discrimination Indeed Hans J erg Albrecht finds evidence of bias in arrests of the foreign born in Germany which has fueled discontent among Berlin's Turkish youth Sophie Body Gendrot points out that mutual hostility between police and minority communities can lead to large scale violence as the Parisian banlieu riots underscored The case studies presented in this important new book show that fostering cooperation between law enforcement and communities requires the former to pay careful attention to the needs and attitudes of the latter Forging a new field of comparative research Legitimacy and Criminal Justice brings to light many of the reasons the law's representatives succeed or fail in winning citizens hearts and minds A Volume in the Russell Sage Foundation Series on
