Orbits Dr. Anis I. Milad,2017-01-28 *Orbits* A Collection of Short Stories and Minute Plays is an entertaining and futuristic book about out of the ordinary fictional characters who are not similar to the people who we meet every day The short stories and minute plays combine sci fi futuristic view points and visions humor and philosophy The book is about our

world and beyond our passion which people have for one another and beyond the appreciation they share for the present and their dreams they live in the future The book is about our inner feelings futuristic thoughts hopes disappointments and imaginations to conquer the future and the complexity of the most imminent step forward to the future Living "Illegal" Marie Friedmann Marquardt, Timothy J. Steigenga, Philip J. Williams, Manuel A. Vásquez, 2013-04-02 A myth busting account of the tragedies trials and successes of undocumented immigration in the United States For decades now America's polarizing debate over immigration revolved around a set of one dimensional characters and unchallenged stereotypes The resulting policies from the creation of ICE in 2003 to Arizona's draconian law SB 1070 are dangerous and profoundly counterproductive Based on years of research into the lives of ordinary migrants Living Illegal offers richly textured stories of real people working building families and enriching their communities even as the political climate grows more hostile In the words of Publishers Weekly it is a compassionate and well reasoned exploration of why migrants come to the U S and how they integrate into American society Moving beyond conventional arguments Living Illegal challenges our assumptions about who these people are and how they have adapted to the confusing patchwork of local immigration ordinances This revealing narrative takes us into Southern churches often the only organizations open to migrants into the fields of Florida onto the streets of major American cities during the immigrant rights marches of 2006 and across national boundaries from Brazil to Mexico and Guatemala Methodologies for Intelligent Systems, ..., 1991 **Khaki Crusaders** F.
