## **Destinationstalingrad Force Five :**

Pioneers, Passionate Ladies, and Private Eyes Larry E Sullivan, Lydia C Schurman, 2013-02-01 Despite efforts of contemporary reformers to curb the availability of dime novels series books and paperbacks *Pioneers Passionate Ladies and Private Eyes* reveals how many readers used them as means of resistance and how fictional characters became models for self empowerment These literary genres whose value has long been underestimated provide fascinating insight into the formation of American popular culture and identity Through these mass produced widely read books Deadwood Dick Old Sleuth and Jessie James became popular heroes that fed the public s imagination for the last western frontier detective tales and the myth of the outlaw Women particularly those who were poor and endured hard lives used the literature as means of escape from the social economic and cultural suppression they experienced in the nineteenth century In addition to the insight this book provides into texts such as *The Bride of the Tomb* the Nick Carter Series and Edward Stratemeyer s rendition of the Lizzie Borden case readers will find interesting information about the roles of illustrations and covers in consumer culture Bowling Green s endeavor to digitize paperback and pulp magazine covers bibliographical problems in collecting and controlling series books the effects of mass market fiction on young girls Louisa May Alcott s pseudonym and authorship of three dime novels special collections competition among publishers A collection of work presented at a symposium held by the Library of Congress *Pioneers Passionate Ladies and Private Eyes* makes an outstanding contribution to redefining the role of popular fiction in American life

**Destination** Jeff Rovin, 1989 **Forthcoming Books** Rose Arny, 1989-05 *Russia at War, 1941-1945* Alexander Werth, 2017-03-14 In 1941 Russian born British journalist Alexander Werth observed the unfolding of the Soviet German conflict with his own eyes What followed was the widely acclaimed book *Russia at War* first printed in 1964 At once a history of facts a collection of interviews and a document of the human condition *Russia at War* is a stunning modern classic that chronicles the savagery and struggles on Russian soil during the most incredible military conflict in modern history As a behind the scenes eyewitness to the pivotal shattering events as they occurred Werth chronicles with vivid detail the hardships of everyday citizens massive military operations and the political movements toward diplomacy as the world tried to reckon with what they had created Despite its sheer historical scope Werth tells the story of a country at war in startlingly human terms drawing from his daily interviews and conversations with generals soldiers peasants and other working class civilians The result is a unique and expansive work with immeasurable breadth and depth built on lucid and engaging prose that captures every aspect of a terrible moment in human history Now newly updated with a foreword by Soviet historian Nicolas Werth the son of Alexander Werth this new edition of *Russia at War* continues to be indispensable World War II journalism and the definitive historical authority on the Soviet German war

**From Stalingrad to Pillau** Isaak Kobylanskiy, 2008 A vivid and candid memoir from a Ukrainian Jewish soldier in Stalin s Soviet Red Army during its war with Germany The soldier who commanded an artillery battery chronicles an epic wartime

journey in an army on the march      *The Forgotten Axis* J. Lee Ready, 2012-09-26 The mention of World War II German soldiers conjures images of strong Aryan young men born in Germany and raised under the Third Reich However throughout the war more than 3 million foreigners served in Nazi Germany's armed services comprising 18 percent of the entire German force These non German soldiers included 1.5 million Austrians 350 000 Sudetenlanders and approximately 200 000 Poles as well as Czechs Slovaks Norwegians Danes Belgians Romanians Finns Bulgarians and other nationalities Whether converts conscripts or reluctant volunteers these foreigners served throughout the armed forces and participated in all major operations This volume offers the first in depth exploration of the motives and experiences of these non German German soldiers providing a new perspective on the military history of the Axis powers      *The Second World War* Winston Churchill, 1948      **Moordgids** Jos van Cann, 2004 Overzicht van het werk van ruim 2000 Nederlandse Vlaamse en in het Nederlands vertaalde buitenlandse misdaadauteurs      **Logistics in World War II** John Norris, 2020-04-30 John Norris shows how logistics though less glamorous than details of the fighting itself played a decisive role in the outcome of every campaign and battle of World War Two The author marshals some astounding facts and figures to convey the sheer scale of the task all belligerents faced to equip vast forces and supply them in the field He also draws on first hand accounts to illustrate what this meant for the men and women in the logistics chain and those depending on it at the sharp end Many of the vehicles from supply trucks to pack mules and other relevant hardware are discussed and illustrated with numerous photographs This first volume of two looks at the early years of the war so we see for example how Hitler's panzer divisions were kept rolling in the Blitzkrieg a German division in 1940 still had around 5000 horses requiring hundreds of tonnes of fodder and the British army's disastrous loss of equipment at Dunkirk This is a fascinating and valuable study of a neglected aspect of World War Two      **Tribune**, 1982      **To the Tashkent Station** Rebecca Manley, 2012-12-04 In summer and fall 1941 as German armies advanced with shocking speed across the Soviet Union the Soviet leadership embarked on a desperate attempt to safeguard the country's industrial and human resources Their success helped determine the outcome of the war in Europe *To the Tashkent Station* brilliantly reconstructs the evacuation of over sixteen million Soviet civilians in one of the most dramatic episodes of World War II Rebecca Manley paints a vivid picture of this epic wartime saga the chaos that erupted in towns large and small as German troops approached the overcrowded trains that trundled eastward and the desperate search for sustenance and shelter in Tashkent one of the most sought after sites of refuge in the rear Her story ends in the shadow of victory as evacuees journeyed back to their ruined cities and broken homes Based on previously unexploited archival collections in Russia Ukraine and Uzbekistan *To the Tashkent Station* offers a novel look at a war that transformed the lives of several generations of Soviet citizens The evacuation touched men women and children from all walks of life writers as well as workers scientists along with government officials party bosses and peasants Manley weaves their harrowing stories into a probing analysis of how the Soviet Union responded to and was transformed by World War II

Over the course of the war the Soviet state was challenged as never before Popular loyalties were tested social hierarchies were recast and the multiethnic fabric of the country was subjected to new strains Even as the evacuation saved countless Soviet Jews from almost certain death it spawned a new and virulent wave of anti-Semitism This magisterial work is the first in depth study of this crucial but neglected episode in the history of twentieth century population displacement World War II and the Soviet Union

**Marshall Zhukov's Greatest Battles** Georgii Konstantinovich Zhukov,1969 The portions of the Marshal Zhukov articles here translated into English are based upon the Russian text appearing in *Voyenno Istoricheskii Zhurnal* published by the Ministry of Defense in Moscow and in *Stalingradskaya Epopeya* published by the Military Publishing House in Moscow

*The Frontier Force Rifles* ,1953 *Travel* ,1943 Winston S.
