Spurgeon, 1998-11-01 Prayer is the Christian's lifeline to God and with it lives are changed for eternity Charles Spurgeon knew the secrets of prayer divine principles and promises that God established for our every need He reveals these principles and shares how God has answered the prayers of men and women since early biblical times This anthology includes six of Spurgeon's classic books on prayer The Power in Prayer Praying Successfully The Golden Key of Prayer Finding Peace in Life's Storms Spurgeon on Praise Satan A Defeated Foe Because God keeps His promises every Christian can have a prayer life that produces lasting results both personally and in the kingdom of God Discover how you too can develop essential characteristics required for power packed prayer *The Mind and Philosophy of Man in His Search for the Divine* I. G. Soorma, 2017-08-11 What does it mean to be human Does this search for identity take us only inward into investigations about the nature of our minds and our ways of thinking or does it tend to draw any willing seeker beyond himself perhaps to spirituality to religion or to deep reflections on the divine In The Mind and Philosophy of Man in His Search for the Divine author I G Soorma explores religious themes and traditions from around the world as he dwells on the identity journey and ultimate destination of humankind As a cross cultural approach to philosophy and religion it encourages us to think critically and introspectively as we engage in like discussions with others The Mind and Philosophy of Man in His Search for the Divine is a highly original survey of great ideas from the classics and it places mystical and Islamic and Sufist works as equals

alongside the traditional European and East Asian canon Soorma references and comments on the great masterpieces of philosophy religion nature art and psychologythe Bible and the Quran Rumi and Shakespeare Goethe and Hafez and Confucius and Platoas he asks us to embrace the challenging ideas and notions that are shared across these supposedly disparate works Placing these great works in a dialogue with each other creates a lively discussion which will stimulate the seeker of knowledge to come to his or her own understanding of life the universe and human destiny Such an invigorating elixir is particularly welcome in a technological age in which intense prolonged reading has become a less crucial element in the formation of ones understanding of the worldand in which specialization has supplanted broad general education and thoughtful reflection Spurgeon's Sermons Volume 19: 1873 Charles Haddon Spurgeon, **Power in Prayer** Charles H. Spurgeon,2017-02-07 God loves to answer prayer and Scripture teaches that it is a simple thing to see answered prayer in our own lives Charles Spurgeon s classic writings tackle the fears and questions that arise as we learn to pray His time tested hard hitting teachings will clear the way for you to experience true faith and the power of answered prayer Spurgeon discusses God s promise to hear our prayers the humility of pleading prayer and our position before God s throne of grace Every believer can and should have a life marked by answered prayer Charles Spurgeon will lead you to the place where life begins a place of true communion with God **The scarlet seal, by Dick Donovan** Joyce Emmerson P.
