**The Decline of the West: Perspectives of world-history** Oswald Spengler,1922     *Jewish Philosophy and Western Culture* Victor J. Seidler,2007-11-28 This is one of the first textbooks to try to set the entire discipline of Jewish philosophy in its proper cultural and historical contexts In so doing it introduces the vibrant Jewish philosophical tradition to students while also making a significant contribution to inter religious dialogue Victor J Seidler argues that the dominant Platonic tradition in the West has led to a form of cultural ethics which asserts false superiority in its relationships with others He offers a critical reappraisal of the philosophical underpinnings of this western Christian culture which for so long has viewed Judaism with hostility Examining the work of seminal Jewish thinkers such as Philo Buber Mendelsohn Herman Cohen Leo Baeck Levinas Rosenzweig and others the author argues for a code of ethics which prioritises particular and personal moral responsibility rather than the impersonal and universal emphases of the Greek tradition His provocative and original overview of Jewish philosophy uncovers a vital and neglected tradition of thought which works against the likelihood of a Holocaust recurring     *The Islamic Moses* Mustafa Akyol,2024-09-10 A theological and historical exploration of the connection between Islam and Judaism through the single most mentioned character in the Quran Moses There is one human mentioned in the Quran more than any other Moses Why is it that the Jewish prophet dominates the Islamic scripture Because he is the role model for Muhammad Islam s own prophet Because Islam just like Christianity is deeply intertwined with Judaism although surprisingly little attention has been given to this fascinating connection between the two religions Author and journalist Mustafa Akyol takes readers on a theological and historical walk through that much neglected side of the Abrahamic triangle the Judeo Islamic tradition Using Moses presence in the Quran as a jumping off point Akyol explores the first historical encounter between Muslims and Jews the creative symbiosis and mutual enrichment that occurred between the two belief systems in medieval times and the modern emergence development and perception of the two religions At a time of bitter conflict in the Middle East The Islamic Moses dives into the older deeper and often unexpectedly brighter story of Jews and Muslims Readers of any background will be surprised by the common historical and theological ground that exists between the two religions and will come away with a better understanding of both     **The Invention and Decline of Israeliness** Baruch Kimmerling,2005-12-13 This work reexamines Israel in terms of its origins as a haven for a persecuted people and its evolution into a multi cultural society The author suggests that the Israeli State has divided into seven major cultures     *Arabia* ,1982     **Encyclopedia of Judaism** Sara E. Karesh,Mitchell M. Hurvitz,2005 An illustrated
