Stannard,2006-05-02 In the fall of 1931 Thalia Massie the bored aristocratic wife of a young naval officer stationed in Honolulu accused six nonwhite islanders of gang rape The ensuing trial let loose a storm of racial and sexual hysteria but the case against the suspects was scant and the trial ended in a hung jury Outraged Thalia s socialite mother arranged the kidnapping and murder of one of the suspects In the spectacularly publicized trial that followed Clarence Darrow came to Hawai i to defend Thalia s mother a sorry epitaph to a noble career It is one of the most sensational criminal cases in American history Stannard has rendered more than a lurid tale One hundred and fifty years of oppression came to a head in those sweltering courtrooms In the face of overwhelming intimidation from a cabal of corrupt military leaders and businessmen various people involved with the case the judge the defense team the jurors a newspaper editor and the accused themselves refused to be cowed Their moral courage united the disparate elements of the non white community and galvanized Hawai i s rapid transformation from an oppressive white run oligarchy to the harmonic multicultural American state it became Honor Killing is a great true crime story worthy of Dominick Dunne both a sensational read and an important work of social history Lecoq the detective's daughter, by W. Kreiser,2007 Deeper understanding of history is enhanced by encasing it in art and interest Crime fiction is one of the widest and most rapidly growing forms of literature Historical crime fiction serves effectively the double purpose of entertaining while it teaches The truth of the narrative account the editors of this volume believe is dependent on

the understanding of human nature reflected in the author who writes the narrative Historical crime fiction the editors of this volume write has an obligation and a golden opportunity It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present The essays in this volume accept the challenge and make major accomplishments for meeting it **The**
