Twelve Englishmen of Mystery Earl F. Bargainnier, 1984 There are hundreds of satisfactory and satisfying British mystery writers whose works should be studied both for their own individual accomplishments and for their comments on the society in which they were published in the last 150 years but who have not received any critical comment lately This volume is designed to correct that fault in a dozen of those unjustifiably neglected British authors Wilkie Collins A E W Mason G K Chesterton H C Bailey Anthony Berkeley Cox Nicholas Blake Michael Gilbert Julian Symons Dick Francis Edmund Crispin H R F Keating and Simon Brett

The Police Procedural George N. Dove, 1982 In the late 1940s and early 1950s a new kind of detective story appeared on the scene This was a story in which the mystery is solved by regular police detectives usually working in teams and using ordinary police routines This kind of narrative is customarily called the police procedural story And it is the subject of this book Though there has been numberless writers of these stories there has never been a book of criticism before

Signs of the Signs William Brevda, 2011-05-16 This book is a study of signs in American literature and culture It is mainly about electric signs but also deals with non electric signs and related phenomena such as movie sets The sign is considered in both the architectural and semiotic senses of the word It is argued that the drama and spectacle of the electric sign called attention to the semiotic implications of the sign In fiction poetry and commentary the electric sign became a sign of manifold meanings that this book explores a sign of the city a sign of America a sign of the twentieth century a sign of modernism a sign of postmodernism a sign of noir a sign of naturalism a sign of the beats a sign of signs systems the Bible to Broadway a sign of tropes the Great White way to the neon jungle a sign of the writers themselves a sign of the sign itself If Moby Dick is the great American novel then it is also the great American novel about signs as the prologue maintains The chapters that follow demonstrate that the sign is indeed a sign of American literature After the electric sign was invented it influenced Stephen Crane to become a nightlight impressionist and Theodore Dreiser to make the fire sign his metaphor for the city An actual Broadway sign might have inspired F Scott Fitzgerald s *The Great Gatsby* In *Manhattan Transfer* and *U S A* John Dos Passos portrayed America as just a spectacular sign William Faulkner s electric signs are full of sound and fury signifying modernity The Last

Tycoon was a sign of Fitzgerald's decline. The signs of noir can be traced to Poe's *The Man of the Crowd*. Absence flickers in the neons of Raymond Chandler's Los Angeles. The death of God haunts the neon wilderness of Nelson Algren. Hitler's empire was a non-intentional parody of Nathanael West's California. The beats reinvented Times Square in their own image. Jack Kerouac's search for the center of Saturday night was a quest for transcendence. *The Detective Novel of Manners* Hanna Kurz Charney, 1981. The detective novel, a genre long associated with reading for escape, is here found to be the literary successor to the nineteenth-century English novel of manners. The author examines the works of Agatha Christie, Dorothy Sayers, and Rex Stout among others. *The Armchair Detective*, 1991. *Comic Crime* Earl F. Bargainnier, 1987. The actual world of crime is not a subject for laughter but rather for anger or tears. The world of fiction, however, is a different matter. Most crime fiction is much nearer the comic than the tragic. In the oldest sense of the term, comedy, that no matter the difficulties, misunderstandings, or even deaths, the evil is thwarted and the good rewarded, crime fiction is essentially comic. The following eleven original essays cover a wide range in time, authors, forms of fiction, and types of comedy. I hope readers will be both informed and entertained by this excursion into British and American humor and homicide comedy and crime.
