Develop Your Esp:

How to Develop Your ESP Susy Smith, 2000-02 Susy Smith wrote *How to Develop Your ESP* many years before she founded the Survival Research Foundation and also the Susy Smith Project at the University of Arizona which is now recognized as the center of Afterlife Codes research. It tells a lot more than just how to try to learn techniques of using telepathy, clairvoyance and precognition for it also wants to help those who desire to learn to communicate with beloved friends and relatives who have passed on. Many aspects of the psychical field such as healing, celebrity seances, psychic surgeons, possession and physical phenomena are discussed here with fascinating case histories throughout. Reading about how others have advanced their abilities as well as the problems and experiences they have had is informing and entertaining even for those who have no desire to personally work on their own ESP development. Be sure to visit the Afterlife Codes website of the Susy Smith Project at www.afterlifecodes.com

Develop Your ESP Nina Ashby, 2017-01-19 Have you ever heard the telephone ring and known who was calling before anyone spoke? Or had a gut feeling about someone or something that ultimately proved true? Most of us ignore experiences like these because we can see no physical basis for believing in our dormant psychic abilities. Call it intuition, a hunch, a feeling or ESP, this elusive knowledge can provide information, motivation or direction about various aspects of our lives. This is a program that can quickly enhance anyone's ability to go beyond the 5 senses and enter another dimension of awareness. Find out which psychic talents you possess and develop those particular gifts with a mix of theory and practical exercises

How to Test and Develop Your ESP Paul Hudson, 2001-03-20 Psychic abilities such as telepathic communication, clairvoyance and premonitions have intrigued believers and the curious for ages. In *How to Test and Develop Your ESP* Paul Hudson provides those interested in psychic phenomena with experiments to help discover and strengthen their own skills. Favoring practice over theory, Hudson shares his years of research and experiments with people interested in unlocking their potential. The book covers extra sensory perception as well as interpreting dreams, recalling the lives of past incarnations, understanding the out of body experience, experimenting with psychokinesis and exploring other parapsychological phenomena

Understand and Develop Your ESP Mark Thurston, 1977-06-01 Learn how ESP works and how to develop it for gaining life guidance. Discusses popular theories and expands them in light of the Edgar

Cayce readings Also outlines specific steps for developing ESP Helping Yourself with ESP Al G. Manning,1999-10-01
Have you ever experienced d j vu or had an uncanny dream that turned out to be prophetic Have you ever made an unusual choice or decision that turned out to be correct and attributed it to a gut feeling These events are actually manifestations of your extrasensory perception or ESP Now you can develop your dormant extrasensory perception and use it to attain personal achievement and lasting fulfillment For forty years Dr Al G Manning a noted expert in the field of parapsychology has been helping even the most skeptical people recognize their ESP clear away blocks to extrasensory development and use their psychic abilities to enrich every aspect of their lives Dr Manning s Helping Yourself with ESP gives you simple exercises and practical down to earth advice that will show you how to Improve your health through spiritual healing Set up a spiritual current that draws wealth to you Create a dynamic magnetic personality that attracts people to you Sharpen your clairvoyant sight and hearing Reach out to helpful spirit guides and personal protectors Attain success and solve problems through concentration and meditation Forge the psychic strength to face any crisis with confidence Discover your true purpose in life Filled with inspiring stories of ordinary people changed forever by the positive force of their own psychic powers Helping Yourself with ESP is your spiritual guide to finding within yourself the key to happiness prosperity and peace of mind

Developing ESP Bryan Westra,2016-12-16 Extrasensory Perception or ESP is something you can develop that will give you an intuition like no other The problem for most people is they don t know how to develop their own intuition There are some people in the world who know how to do telepathy and literally move matter with their mind alone This has been document and witnessed There are other people who can just know what someone else is thinking like having x ray vision into someone else s thoughts Wouldn t that be something To be able to read the thoughts of another human being It would be very useful in many notable contexts You d know what your boss was thinking You d be able to guess what others felt about you But really you would know there wouldn t be any guessing This book is going to help you develop your own ESP so you can achieve knowing what other people think without them having to come out and tell you I remember back during my college years a communications teacher lecturing on how the greatest ability one has concerning verbal communication is not verbalizing what shouldn t be verbalized She was referring to the pricelessness of remaining silent when one doesn t have anything useful or meaningful to say After you get through with this book you ll be able to tap into what other people are thinking about You ll be able to harness the power of your own Extrasensory Perception to intuit psychically what other people are thinking This is a very valuable skillset because once you are able to know what other people are thinking you can predict their actions making activities like selling easy to do You can likewise predict with almost certain accuracy when other people mean you harm but appear innocent enough You would be able to read people s thoughts getting inside their heads so you could persuade and communicate ideas that resonated with them It would be like having your own private entrance into the world of someone else Listen we have a lot to cover This book will get you there but I need your full
