

How Families Can Support their Child's Social and Emotional Development

Infant and Early Childhood Mental Health (IECMH), also known as social-emotional development, is just as important as physical health to a child's well-being. Without support, even the youngest kids can suffer from mental health issues, disorders and conditions. As parents, you play an important part in building your babies' social-emotional strengths.

WHAT'S IN THIS FACT SHEET:

- What is Early Childhood Development?
- What is Infant and Early Childhood Mental Health?
- How can I support the social and emotional development of my young child?
- What else can I do to support my young child's development and mental health?
