# Developing People Regenerating Place Achieving Greater Integration For Local Area Regeneration

**Patricia Higham**

## **Developing People Regenerating Place Achieving Greater Integration For Local Area Regeneration:**

**Social Justice and Social Policy in Scotland** Gerry Mooney, Gill Scott, 2012-04-25 Social justice and social policy in Scotland offers a critical engagement with the state of social policy in one of the devolved nations of the UK a decade after the introduction of devolution Promoting greater social justice has been held up as a key vision of successive Scottish administrations since devolution began It is argued throughout this important book that the analysis of Scottish social policy must therefore be located in wider debates around social injustice as well as about how the devolution process affects the making implementation and impact of social policy Social justice and social policy in Scotland focuses on a diverse range of topics and issues including income inequalities work and welfare criminal justice housing education health and poverty each reflecting the themes of social inequality and social justice This book will be essential reading for academics researchers policy makers and practitioners as well as students of social policy and of society in Scotland and other devolved nations

Understanding Community Peter Somerville, 2016-04-25 This substantially revised edition of a highly topical text draws upon theory from Marx and Bourdieu to offer a clearer understanding of community in capitalist society The book takes a more critical look at the literature on community development and the politics of community and applies this critical approach to themes introduced in the first edition on economic development learning health and social care housing and policing taking into account the changes in policy that have taken place particularly in the UK since the first edition was written It will be a valuable resource for researchers and students of social policy sociology and politics as well as areas of housing and urban studies

Space, Place and Inclusive Learning Judy Hemingway, Felicity Armstrong, 2016-04-08 This collection explores ways in which theories of space and place can be used in understanding processes of exclusion and inclusion in education The contributions foreground how the spatial turn and geographical knowledges can inform debates on the relationships between learning space and place understandings of the ways in which space and place affect education and learning familiar research agendas through the application of conceptual perspectives from different disciplines The ten chapters which make up this book are by contributors from Australia Italy and the United Kingdom who draw in very different ways on spatial theory as a means of exploring processes of inclusion and exclusion in education Each one of the authors not only seeks to challenge growing orthodoxies in their respective field but is interested in cross disciplinarity and spatial theory in education This book provides key readings for experienced and beginning teachers studying for bachelors masters and research degrees or professional qualifications It will be particularly useful to equality and diversity post holders lecturers researchers and policy makers working in all education establishments which take issues of inclusion seriously The international content of the diverse papers in Space Place and Inclusive Learning will be of interest not only to those practising in the United Kingdom but to educationists working in other countries who seek to understand how space and place modulate opportunities for inclusion This book was originally published as a special issue of the International Journal of

Inclusive Education      **Applying Leadership and Management in Planning** Janice Morphet, 2015-05-06 Addressing issues of planning management and professional development this book discusses the ways that management theories tools and techniques can be applied to planning practice Drawing on case studies and a wealth of professional experience Janice Morphet examines recent criticism of the planning system and gives much needed attention to the connections between management and planning Beneficial for planners at all stages of their career this book is ideal for courses with a key focus on strategic planning and infrastructure investment as part of the planning process      **Social Work** Patricia Higham, 2006-03-23 Comprehensive and user friendly The book is helpfully constructed around a number of key themes starting with a good attempt to define social work from historical and international perspectives and moving on to address key issues concerning the practice knowledge values and skills required from contemporary social work in the UK I believe social work students newly qualified and experienced social workers will find this a valuable resource especially when one is confronted by challenges in practice Professional Social Work Social Work is a good overview that should refresh learner and tutor alike Practice assessors may find this book a useful update for their work with students and also a neat refresher It is a well written and up to date text with a good sense of where future challenges lie for the social work profession in the UK Higham is confident enough to voice the profession's uncertainties as well as mapping the changing organisational landscape that social workers might populate This book is likely to appear on many social work reading lists It has the potential to provide good learning opportunities for post qualifying as well as pre qualifying training Health and Social Care in the Community The unique aspect of this book which distinguishes it from other competitors is that it is constructed explicitly around the key roles and benchmark statements this book will offer something new and interesting to the growing field of social work education literature and is likely to be relevant to both students and practitioners in the UK and elsewhere Dr Caroline Skehill Queens University Belfast What is the role of social work What does it mean to be a social worker What are the changes affecting social work training Social Work Introducing Professional Practice addresses these questions and provides an understanding of the knowledge values and skills requirements of professional social work The author has played a key role in constructing the subject benchmarks for the social work degree and offers a reflective and thoughtful commentary upon training education and practice Written in a lively and readable style the book captures the essence of the changes sweeping through social work and engages the reader in these debates Key features of this book include Comprehensive content structured around the guidelines for training and practice Bridges the gap between theory and real life practice Student friendly features such as case studies discussion questions further reading and a glossary This exciting publication will be a core textbook for trainee social workers as they progress through the qualifying social work degree or as they begin their practice as newly qualified workers seeking to consolidate their learning      **Developing People - Regenerating Place** Alan McGregor, 2003-07-16 Drawing on experiences from nine UK cities Developing people

Regenerating place analyses the views of a range of practitioners on how to achieve more effective joint working across area regeneration and social inclusion initiatives

**The Impact of Networks on Unemployment** J. M. Hurst, 2016-10-12 This book investigates why networks some with joined up governance remits appeared ineffective in handling neighbourhood unemployment even in periods when the national unemployment levels dropped It deploys a multi theoretical and methodological framework to investigate this empirical puzzle and to test and analyse the causal factors influencing network outcomes Chapters examine network concepts network theories outcome indicators the historical infrastructure and management of unemployment policy and governing network trends in post war urban regeneration interventions Comparative network case studies offer empirical evidence and a high degree of local variation Mixed methods qualitative and quantitative approaches including social network analysis uncover formal and informal networks and eighty six interviews in two English local authorities with persistent unemployment give voice to network practitioner experiences Findings explain why sub optimal network outcomes prevail and operational difficulties persist on the ground Students and academics professionals and activists can use the results to challenge network governance theories and the policy status quo

**Criminal and Social Justice** Dee Cook, 2006-03-22 See Sample Chapters Resources to download the Introduction to Criminal and Social Justice Dee Cook s new book is important innovative and invigorating It brings together two spheres criminal justice and social justice which are usually but as she persuades us unjustifiably kept separate intellectually and in policy and practice Dee Cook makes a powerful case for the inter connectedness of penal policy and social policy bringing together concepts from the two spheres such as social exclusion citizenship and human rights Her innovative approach brings insightful theoretical analysis together with two extended case studies differential treatment of tax fraud and benefit fraud and the third way politics of New Labour This book will make it much more difficult for students policy makers and criminal justice practitioners to ignore the social context in which penal policy evolves and is implemented Professor Barbara Hudson University of Central Lancashire This is an accessible and lively critical account of the inter relationship between social and criminal justice in New Labour Britain It should engage students on a range of programmes particularly social policy criminology and sociology Ruth Lister Professor of Social Policy Loughborough University A cogent demonstration that criminal justice cannot be achieved in the absence of social justice There is a blistering but thoroughly informed critique of New Labour s failure to narrow this justice gap Let s hope the carefully reasoned but impassioned arguments about how to get really tough on the causes of crime and injustice get the attention they deserve Robert Reiner Professor of Criminology London School of Economics and Political Science Criminal and Social Justice provides an important insight into the relationship between social inequality crime and criminalisation In this accessible and innovative account Dee Cook examines the nature of the relationship between criminal and social justice both in theory and in practice Current social economic political and cultural considerations are brought to bear and

contemporary examples are used throughout to help the student to consider this relationship The book is essential reading for students and researchers in criminology social policy social work and sociology It is also relevant to practitioners in statutory voluntary and community sector organisations *British National Bibliography for Report Literature* ,2003-10
