Development Cooperation In Practice The United Nations Volunteers In Nepal:

Development Cooperation in Practice Joel Rehnstrom, 2000 While the role of the United Nations in world affairs is the subject of much debate and research little empirical evidence exists regarding the effectiveness of the work of the United Nations in the economic and social fields The purpose of Development Cooperation in Practice The United Nations Volunteers in Nepa l is to start filling the gap created by the lack of in depth assessments of the achievements and performance of the UN in these fields The author focuses on one particular UN programme the UN Volunteers programme in Nepal over a ten year period 1987 96 Neoliberalism, Development, and Aid Volunteering Nichole Georgeou, 2012-10-12 This work comes at an important time of global crisis and change where the world is ravaged by natural disasters wars and poverty This has increased the pressure on governments and other organisations such as volunteer sending agencies which provide aid and we have seen an upward trend in the number of people volunteering abroad Within this volatile environment neoliberal ideology on how aid should be provided and implemented has become embedded in how policy is formulated A market driven model of aid provision has become the norm and governments are increasingly focused on international development volunteering as a form of soft diplomacy This is the first qualitative empirical study of international development volunteering The book contributes theoretical knowledge on International Volunteering Sending Agencies IVSAs and examines practitioner experience in development volunteering in the context of emerging policy developments Critical analysis highlights the impact of global and social changes and provides a nuanced understanding of development volunteer motivation and the relationship between volunteers and sending agencies The book also puts forward an agenda and model for volunteer sending that addresses the complexities and diversity of the volunteer experience UNU Publications United Nations University, 2005 Publications United Nations University.
