Development Of Children Tbp:

The Global Victimization of Children Clayton A. Hartjen, S. Priyadarsini, 2012-01-02 This book describes the concept of child victimization in all its facets Millions of young people throughout the world face violence sexual physical and emotional abuse and exploitation on a daily basis The worldwide victimization of young people can be prevented or at least its incidence can be greatly reduced if purposeful action is taken to do so This volume researches and documents some of the ways in which young people throughout the world are victimized and suggests strategies for preventing various forms of child victimization Eight distinct forms of victimization are identified and analyzed in detail Included are discussions on child prostitution and pornography economic exploitation through child labor and trafficking physical and other abuse inflicted on young people in schools and other institutions the use of children as armed combatants and the denial of the basic needs and rights of children to such things as home and to education In each chapter the authors discuss the nature of the victimization its global dimensions and prevalence and the measures governments and or others are taking or failing to take to combat the harm based on the concept that youth victimization is a form of government crime

The World of Child Labor Hugh D Hindman, Hugh Hindman, 2014-12-18 The World of Child Labor details both the current and historical state of child labor in each region of the world focusing on its causes consequences and cures Child labor remains a problem of immense social and economic proportions throughout the developing world and there is a global movement underway to do away with it Volume editor Hugh D Hindman has assembled an international team of leading child labor scholars researchers policy makers and activists to provide a comprehensive reference with over 220 essays This volume first provides a current global snapshot with overview essays on the dimensions of the problem and those institutions and organizations combating child labor Thereafter the organization of the work is regional covering developed developing and less developed regions of the world The reference goes around the globe to document the contemporary and historical state of child labor within each major region Africa Latin and South America North America Europe Middle East Asia and Oceania including country level accounts for nearly half of the world's nations Country level essays for more developed nations include historical material in addition to current issues in child labor All country level essays address specific facets of child labor problems such as industries and occupations in which children commonly work the national child welfare policy occupational safety regulations educational system and laws and often highlight significant initiatives against child labor Current statistical data accompany most country level essays that include ratifications to UN and ILO conventions the Human Development Index human capital indicators economic indicators and national child labor surveys conducted by the Statistical Information and Monitoring Program on Child Labor The World of Child Labor is designed to be a self contained comprehensive reference for high school college and professional researchers Maps photos figures tables references and index are included
