Brandweek, 2010 **Mediaweek**, 2010 *Adweek*, 2010 *Pyjama Profit* Varun Mayya, Abhinav Chhikara, 2018-07-18 *Pyjama Profit* is a guide for millennials to get started with a self-sustained online freelance practice while developing their skills needed to succeed. The book talks about in-demand online skills and the different paths one can take to become an expert in these fields. A stable income from freelancing in college was the bedrock that had allowed the authors to explore their ambitions further and get to where they are today. In the process, they've worked with many of their own batch mates, colleagues, and friends to help them set up highly successful freelance careers. The author duo decided to detail their story of what worked for them and how anyone in the country could thrive without being tied down to a full-time job. The authors feel the timing of the book is perfect because of the growing freelance economy and growing aspirations among millennials to find a job they love and not just something that pays their bills. *Classroom Connect*, 1997 **Building an EBusiness** Elizabeth Eisner Reding, 2001 This is an e-commerce book that moves beyond a survey atmosphere to provide hands-on experience.
