B2B Marketing Guidebook - Vol. 2 Uwe Seebacher, 2025-08-11 The future of B2B marketing isn't coming; it's already here. The second volume of the significantly updated edition of B2B Marketing dives deep into the execution layer of modern marketing. This edition is packed with AI/PI-driven methods, advanced digital tactics, and best-in-class case studies from global leading companies such as Daikin, Mayr-Predictores, SK Laser, Thyssenkrupp, and W. Rth to help B2B professionals scale growth, deepen relevance, and lead in a data-first world. Whether building a smarter lead generation engine, optimizing touchpoints, embracing account-based strategies, or navigating social selling and influencer marketing, this book provides the frameworks, tools, and insights to turn vision into reality. Readers will learn how to ignite digital growth, master touchpoint performance management, and align content strategy with AI. Essential for CMOs, marketing professionals, strategists, and consultants, this volume is a must-have for moving from theory to results. Volume 1 gave you the roadmap; Volume 2 gives you the tools to drive it.

Strategic Social Media Management Karen E. Sutherland, 2020-12-21 This textbook provides a lively introduction to the fast-paced and multi-faceted discipline of social media management, with international examples and perspectives. Aside from focusing on the practical application of marketing strategy, the textbook also takes students through the process of strategy development, ethical and accurate content curation, and strategy implementation through detailed explanations of content creation. Combining theory and practice, Strategic Social Media Management teaches students how to take a strategic approach to social media from an organisational and business perspective and how to measure results. Richly supported by robust and engaging pedagogy and cases in each chapter, it integrates perspectives from public relations, marketing, and advertising and examines key topics such as risk, ethics, privacy, consent, copyright issues, and crises management. It also provides dedicated coverage of content strategy and campaign planning and execution. Reflecting the demands of contemporary practice, advice on self-care for social media management is also offered, helping to protect people in this emerging profession from the negativity that they can experience online when managing an organisation's social media presence. After reading this textbook, students will be able to develop a social media strategy, curate accurate and relevant content, and create engaging social media content that tells compelling stories, connects with target audiences, and supports strategic goals and objectives. This is an ideal textbook for students studying social media strategy, marketing, and

management at undergraduate level It will also be essential reading for marketing public relations advertising and communications professionals looking to hone their social media skills and strategies Signal ,2006 **Social Media Strategy** Keith A.
