Country Life in America ,1916      **Misfire** Shirley Burton,2024-02-07 Ginger Phillips was so moved by Brad s earnest pleadings for her hand in marriage that she consented She was comfortable in his love perhaps too comfortable for deeper intimacy Her intrigue with gods and goddesses resulted in a new narrative away from her blissful life Her study of mythology indicated that Hera goddess of marriage was active throughout her life In Brad s life Ginger believed Dionysus was an influence in him and not in a good way for his work life Nevertheless Ginger and Brad two opposites joined together in matrimony Such a pairing could have been no other way for Ginger because dreams and mythology converged for her to conclude these archetypes were at work in their fate      **Journal of the American Asiatic Association** ,1926

Reczek,Rin Reczek,Emma Bosley-Smith,2022-05-17 There is no till death do us part vow between parents and children And yet parent child relationships are far more enduring than the marital relationships that made this phrase famous The life long parent child tie is so ubiquitous and taken for granted that it doesn t need an oath This unspoken pledge is our birthright in times of good and bad sickness and health parents and their children are bound for life But not every parent child tie is healthy and helpful And what s remarkable is this imperative persists even when these relationships are unsatisfactory or even deeply damaging Why do we stay in these parent adult child relationships And how do we stay bonded amidst rejection and pain This book answers these questions Drawing on interviews with 76 LGBTQ adults and 44 of their parents the authors explain that conflictual rejecting and even abusive ties with parents endure because of what they call compulsory kinship the overarching socio cultural forces that tell us we have to stay in this bond no matter what That is what we think of as the natural and inevitable connection between parents and adult children is actually created and sustained by sociocultural forces of compulsory kinship With their empirical data the authors show why LGBTQ people justify their adherence to the specific compulsory kinship using the rationales of love and closeness parental growth and the uniqueness of the parent child tie Further they reveal how LGBTQ people stay in difficult relationships with parents through a new type of family work called conflict work      Country Guide and Nor'west Farmer ,1926      Success ,1903      **Country Life** ,1901      American Gardening ,1897      **The Feathered World** ,1903      American Agriculturist ,1925      **Pacific Poultryman** ,1956      The Family ,1925      Wisconsin Horticulture ,1929      **Rural New Yorker** ,1902      The Weekly Florists' Review ,1902      **Weekly Florists' Review** Gilbert Leonard Grant,1924      **Cultivator and Country Gentleman** ,1919
