## **Destruction Of The Soviet Economic System An Insiders History:**

**The Destruction of the Soviet Economic System: An Insider's History** Michael Ellman,Vladimir

Kontorovich,2015-02-24 The inside story of the political collapse of the Soviet Union is far better understood than the course of economic and social disintegration In order to capture the story the editors compiled a list of questions which they addressed to former top Soviet officials and economic and other policy advisors both Soviet and foreign who were privy not only to data on the functioning of the Soviet economy but also to the internal policy debate during the 1980s This volume assembles the Informants analyses of key issues and the turning points and weaves them into a compelling history of systemic collapse Among the topics investigated are economic policies in the 1980s the standard of living the reliability of Soviet statistics Gosplan s projections for the economy to the year 2000 was the arms race starving the civilian economy the role of ideology in supporting the functioning of an economic system the party s participating in economic management the influence of foreign advisors the struggle over a transition program the functioning and collapse of the supply system the CMEA and the foreign trade system

**Routledge Handbook of Major Events in Economic History** Randall E.

Parker,Robert M. Whaples,2013-02-11 The Handbook of Major Events in Economic History aims to introduce readers to the important macroeconomic events of the past two hundred years The chapters endeavour to explain what went on and why during the most significant economic epochs of the nineteenth twentieth and early twenty first centuries and how where we are today fits in this historical timeline Its short chapters reflect the most up to date research and are written by well known economists who are authorities on their subjects The Handbook of Major Events in Economic History was written with the intent of presenting the professional consensus in explaining the economics driving these historical events

*The Soviet Union under Brezhnev* William J. Tompson,2014-07-30 The Soviet Union Under Brezhnev provides an accessible post Soviet perspective on the history of the USSR from the mid 1960 s to the mid 1980 s It challenges both the evil empire image of the USSR that was widespread in the early 1980 s and the stagnation label attached to the period by Soviet reformers under Gorbachev The book makes use of a range of memoirs interviews archival documents and other sources not available before 1990 to place Brezhnev and his epoch in a broader historical context The author examines high politics foreign policy and policy making explores broader social cultural and demographic trends presents a picture of Soviet society in the crucial decades prior to the upheavals and crises of the late 1980 s While stopping well short of a full scale rehabilitation of Brezhnev Tompson rejects the prevailing image of the Soviet leader as a colourless non entity drawing attention to Brezhnev s real political skills as well as his faults and to the systemic roots of many of the problems he faced

**Transition and Beyond** S. Estrin,G. Kolodko,M. Uvalic,2007-08-10 This book covers a wide variety of aspects of transition in Central and Southeast Europe and the CIS including the socialist legacy privatization and growth skills and banking reforms It also covers the evolution of the global economy beyond transition looking at complexity risk management the optimal transition
