Detectives Private Investigators And Bounty Hunters:

It's Not a Game Mel Barth, 2010-08-24 Don't waste your time watching Reality TV. It's Not a Game is a collection of actual cases involving private investigation, bounty hunting, and abducted child recovery. It includes exciting, poignant, and often times funny accounts of someone who makes his living being involved in the darker side of other people's lives. Mel Barth writes about the cases that he has handled during his over twenty-year career in a way that allows the reader to be there with him as he deals with people and their problems. **Private Investigators and Bounty Hunters** Ann Gaines, 1999

Learn how private investigators and bounty hunters track down criminals for reward in this riveting title. **The California Private Investigator's Legal Manual (Third Edition)** David D. Queen, 2011-06-10 This is the third edition of the *The California Private Investigator's Legal Manual*, previously titled *The Private Investigator's Legal Manual: California Edition*. The manual remains the only source for legal information of importance to California private investigators and the attorneys who hire and represent them. The 350-page manual covers more than 150 topics, analyzes more than 180 court cases, and 150 federal and state statutes, and includes the text of some of the most significant statutes. The manual is fully indexed with more than 1,000 entries to allow for quick and easy referencing. *Great Women Mystery Writers* Elizabeth A.

Blakesley, 2006-11-30 Mysteries are among the most popular books today, and women continue to be among the most creative and widely read mystery writers. This book includes alphabetically arranged entries on 90 women mystery writers. Many of the writers discussed were not even writing when the first edition of this book was published in 1994, while others have written numerous works since then. Writers were selected based on their status as award winners, their commercial success, and their critical acclaim. Each entry provides biographical information, a discussion of major works and themes, and primary and secondary bibliographies. The volume closes with appendices and a selected general bibliography. Public library patrons will value this guide to their favorite authors, while students will turn to it when writing reports. **Job Hunters'**
