## **Developing Dynamic Disciples Pentecostal Faith Prayer And Commitment:**

Developing Dynamic Disciples Glen Percifield,1994-09      Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004      **Books in Print Supplement** ,1994      *Dynamics of Jesus Community* Jose A. Pulickal,2007      Pentecostal Theology for the Twenty-First Century May Ling Tan-Chow,2016-05-13 In our post 9 11 world where there is a growing religious fundamentalism and when both exclusion and easy tolerance are inadequate options this book offers a creative alternative arguing that Pentecostalism has the potential to be a peaceful harbinger of plurality The potential lies in its spirituality a lively pneumatology and eschatology The eschatological Spirit is seen as orientated towards the other crossing boundaries in redemptive embrace transcending exclusion and easy tolerance This book s non Western perspective and the empirical contextual study of Singapore s multicultural and multi faith context are unique contributions to religion and society This is a book for students pastors teachers and theologians concerned for an approach to mission that is sensitive to their context who want to learn from a creative theological voice from what has been perhaps the largest religious movement in history and who see the immense potential in lively theology by Christians of the Chinese diaspora who can speak to the many millions of ethnic Chinese Christians This book will also appeal to those outside Christianity who are interested in its attempts to engage with a complex multi ethnic and multi religious situation such as that in Singapore      **Religion** Meredith B. McGuire,2008-04-10 In this insightful examination of religions in their local and global context the author shows how analyzing religions social context helps us understand individuals lives social movements national and ethnic politics and widespread social changes Well researched and theory based the text is filled with intriguing anecdotes empirical data thought provoking discussions of both mainstream and nonofficial religions and historical and contemporary examples that illustrate the interplay between religion and society across cultures This volume takes an integrated approach to examining religion and includes cross cultural historical and methodological viewpoints Readers will learn to identify the complex interactions between religion and societal contexts as well as the ways in which these interactions shape individuals communities national politics and the world      *Eternal Impact* Ken Hemphill,2008-01-01 Greatly respected church strategist Ken Hemphill believes the only process that will radically transform the mission and structure of today s community of believers is the Word of God applied by the Holy Spirit Toward that goal *Eternal Impact* presents to readers a biblical study of the New Testament Church focusing on the founding principles of the church in Matthew 16 and the birth of the church in Acts 2 Also included are chapters on the eight key characteristics of kingdom centered churches and discussions on leadership and giftedness among church members      **The Entangled Trinity** Ernest L. Simmons,2014 The Doctrine of the Trinity is an exercise in wonder It is drawn from the wonder of our own existence and the diverse experiences of the divine encountered by the early Christian community From the earliest days of Christianity theologians of the church have drawn upon the most sophisticated language and understandings of their time in an attempt to clarify and express that faith In this

volume Ernest Simmons asks what the current scientific understanding of the natural world might contribute to our reflection upon the relationship of God and the world in a Trinitarian fashion **Pneumatology at the Beginning of the Third Millennium** Kevin Wagner, Peter John McGregor, M. Isabell Naumann, 2023-12-01 The Holy Spirit who worked on the first Christian Pentecost continues to work in the church and the world today This being so the field of pneumatology the theology of the Holy Spirit should pique the interest of both the average Christian and the academic theologian perhaps more than it has in recent times This collection of chapters brings pneumatology into conversation with a wide variety of disciplines including scripture patristic and medieval theology and history The result is a scholarly monograph that enriches both pneumatology and the fields with which each contributor engages Furthermore with its attention on the work of the Spirit in the sacraments and the life of the church Pneumatology at the Beginning of the Third Millennium will help pastors and catechists in their ministries to understand more deeply the riches of the theology of the Third Person of the Trinity

**Faith-sharing** H. Eddie Fox, George E. Morris, 1987 Use this proven strategy for outreach in conjunction with The Faith Sharing Congregation by Swanson and Clement and Faith Sharing New Testament with Psalms Cokesbury *Perseverance and Apostasy in the New Testament* Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God's sovereignty and human responsibility the role of the Holy Spirit for the believer's perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy

**ENDORSEMENTS** The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary

Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize. The author neither avoids difficult questions nor skirts challenging texts. Rather he carefully works his way through each relevant New Testament text's central exegetical questions offering judicious insights and integrating those insights into a collective explanation. I found some of my own assumptions challenged while reading this book. I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance.

Dr. Kenneth Berding, Professor of New Testament, Talbot School of Theology at Biola University, *Perseverance and Apostasy in the New Testament* concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John's Gospel, walking through Acts and the letters and completing with the book of Revelation. One's theological presuppositions will of course affect how he/she receives and responds to Kim's case. It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude. Yet undoubtedly *Perseverance and Apostasy in the New Testament* proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions. This well written book will serve its readers effectively by sharpening or challenging their views if not both.

Dr. John Lee, Associate Professor of New Testament, Midwestern Baptist Theological Seminary, This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition. *Perseverance and Apostasy in the New Testament* provides a thoroughly biblical and hermeneutically and canonically sensitive study. Kim's exposition is scholarly, rigorous and articulate. He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in salvation.

*Perseverance and apostasy in the New Testament* is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike.

Dr. Peter A. Lillback, president, Westminster Theological Seminary, Philadelphia, The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted. For example, the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification. In response to these criticisms, challenges and distortions, this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts. Dr. Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ. This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy.

Dr. Sung Wook Chung, Professor of Christian Theology, Denver Seminary, Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not. Is it conceivable

that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim s book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary **The Gift of the Holy Spirit Today** J. Rodman Williams,1980 *Religious Books and Serials in Print 1978-1979* R.R. Bowker Company. Department of Bibliography,1978-11 Forth ,1935
