Ruptic, Lisa Norwick**

Developing Judgment Assessing Childrens Work In Mathematics:

Developing Judgment Jean Moon,1997 This book represents the next tier of work teachers will be doing in applying alternative assessment to mathematics in their classrooms It is a resource book for developing professional judgment crafted around examples of student work in mathematics along with guided interpretations of the work The best way to develop expert judgment is to do two tasks in tandem analyze student work according to performance indicators and practice the art of applying professional judgment in reflective collaboration with your colleagues Developing Judgment is a guided journey through both tasks It derives from a series of sessions in which a project study group of elementary teachers and their principals built an understanding of good classroom assessment practices through ongoing discussions of children s mathematical work The sessions in the book parallel those undertaken by the project study group Each deals with a major idea involved in judging student work and how that idea plays out in instruction curriculum and assessment Session elements include background information goals and a recommended sequence suggestions for conducting the session on your own excerpts from the project study group s conversations the author s reflections on those conversations and ideas for additional opportunities to practice the assessment techniques discussed Whether you use Developing Judgment on your own with one or two colleagues or with a study group it is certain to invite action and reflection **Resources in Education** ,1997

ENC Focus ,2000 **Teaching Children Mathematics** ,1998 **Classroom Assessment in Mathematics** George W. Bright,Jeane M. Joyner,1998 This book includes a summary of the recommendations of a working conference on classroom assessment in mathematics held in May 1997 The book also includes all of the working papers prepared for that conference The recommendations are directed to the research community directors of teacher enhancement projects state education agencies regional and local staff development projects and institutions of higher education This conference brought together researchers acknowledged experts in the field of assessment and practitioners to focus on an important component of the educational process namely quality classroom assessment **Practice-based Professional Development for Teachers of Mathematics** Margaret Schwan Smith,2001 This book provides a new perspective on how to design conduct and evaluate professional education experiences for teachers It explores a specific type of professional development opportunity that connects the ongoing professional development of teachers with the actual work of teaching and presents snapshots of practise based professional development offers ideas for designing high quality professional development experiences and explains how to assess the effectiveness of professional development *Classroom Based Assessment* Bonnie Campbell Hill,Cynthia Ruptic,Lisa Norwick,1998 **ENC focus** ,2000 **Writer's Guide to Book Editors, Publishers, and Literary Agents, 1998-1999** Jeff Herman,1997 A real find for the aspiring writer The Associated Press In depth information The Writer Who are they What do they want How do you win them over Find the answers to these questions and more in the 1998 1999 edition of the Writer s Guide to Book Editors Publishers and Literary Agents by Jeff Herman Filled with the

information authors and aspiring authors need in order to avoid having a manuscript end up in the slush pile this comprehensive listing is organized in an easy to use format It includes in depth information about publishing houses and literary agents in the United States and Canada The specifics include the names and addresses of editors and agents what they re looking for comission rates and other key information In addition readers will discover the most common mistakes people make while attempting to solicit an agent and how to avoid them as well as numerous suggestions designed to increase the chances of getting representation Writer s Guide to Book Editors Publishers and Literary Agents also includes dozens of valuable essays giving readers insight and guidance into such topics as How to Write the Perfect Query Letter The Knockout Nonfiction Book Proposal How to Thrive After Signing a Publishing Contract Mastering Ghostwriting and Collaboration Free Versus Fee The Issue of Literary Agency Fees About the Author Jeff Herman is the founder of The Jeff Herman Literary Agency a leading New York agency He has sold hundreds of titles and represents dozens of top authors Herman frequently speaks to writer s groups and at conferences on the topic of getting published
