And no other text prepares students for the task as effectively as Managing Sport Events, Third Edition. With HKPropel Access, while other texts in this space stray into the area of facility management, Managing Sport Events keeps its focus where it should be by providing a thorough grounding of the entire event management process. Beginning with an overview of event conception and development, the text then moves into the principal planning areas of budgeting, marketing, promotion, sponsorships, and legal and risk management. Later chapters focus on key operational areas such as staffing, event services, and logistics, and event day management, and it closes with postevent details and evaluation. The third edition includes new and updated content that incorporates plenty of contemporary real-life examples. Insights into how event management has been affected by COVID-19 and by the emergence of social media, sustainability efforts, and diversity, equity, and inclusion (DEI) initiatives.
