And last but not least, the challenge of reproducing like consistency across different devices and platforms will be a big topic of discussion. Issues include from peripheral to system to hardware. It will be difficult to ensure that as things look the same on all of them. This is where user management systems come in.

Our entire understanding of the universe based
what we can touch is light from objects
unthinkable for Jesus. The oldest thing in the
universe is light from the Big Bang that we can still
see with radio eyes. Everything, particles and
non-particles that we see, what we're really seeing is
the light bouncing off surfaces and it's coming from
light. —
