I stood in a corner at the party, afraid to talk to the girl that I liked. If you can relate to what I'm talking about and you would like to transform yourself, then this book is a must-read for you. These are just some of the problems I faced as a teen. I made it my mission to figure out what was making me anxious and what was holding me back from doing all the things I wanted to do. I've now come a long way since, and I want to help you. In this handbook, you'll discover how to communicate and get the message across, even when you feel like no one will understand you.
