*Smarter Notes* Brandon Monaghan, 2015-07-18 When you are in

school it is important that you are able to take some good notes on the material that is being presented to you. You want to be able to use these as a form of a study guide that you are going to be able to use in order to do well on a test. But most people do not know how to take proper notes. They will try to take down everything that they hear in the hopes that some of it is going to be important down the line and that they are going to be able to use it on the test. Unfortunately this is not a strategy that is going to work out too well for them. They will end up taking a bunch of notes that are nonsense and will not help them while making their hands feel like they are about to fall off. This guidebook is going to provide you with some of the best tips that you can follow in order to start taking good notes now.
