The American Interest, 2009 *Platform Neutrality Rights* Hannibal Travis, 2024-07-24 This book analyzes questions
 of platform bias algorithmic filtering and ranking of Internet speech and declining perceptions of online freedom Courts have
 intervened against unfair platforms in important cases but they have deferred to private sector decisions in many others
 particularly in the United States The First Amendment human rights law competition law Section 230 of the Communications
 Decency Act and an array of state and foreign laws address bad faith conduct by Internet platforms or other commercial
 actors Arguing that the problem of platform neutrality is similar to the net neutrality problem the book discusses the assault
 on freedom of speech that emerges from public private partnerships The book draws parallels between U S constitutional
 and statutory doctrines relating to shared spaces and the teachings of international human rights bodies relating to the
 responsibilities of private actors It also connects the dots between new rights to appeal account or post removals under the
 Digital Services Act of the European Union and a variety of fair treatment obligations of platforms under American and
 European competition laws public accommodations laws and public utilities laws Analyzing artificial intelligence AI
 regulation from the point of view of social media and video platform users the book explores overlaps between European and
