 Scroll Up and Grab Your Copy Today      **When Writing Workshop Isn't Working** Mark Overmeyer, 2024-12-27  
 Writing is hard work  
 Teaching it can be even harder  
 As most teachers know writer's workshop doesn't always go as planned and many find there are obstacles that they consistently struggle with  
 In his role as a literacy coordinator and teacher Mark Overmeyer has heard the same issues raised again and again by both new and experienced colleagues  
 When Writing Workshop Isn't Working  
 Answers to Ten Tough Questions  
 Grades 2-5 provides practical advice to overcome these common problems and get your writing workshop back on track  
 Acknowledging the process based nature of the writing workshop this book does not offer formulaic program based one size fits all answers but presents multiple suggestions based on what works in real classrooms  
 This second edition includes updated ideas for common issues in the workshop and features new chapters on technology and resistant writers  
 Questions addressed in the new edition include  
 How can I reach resistant writers  
 How can I support students in their use of technology including AI  
 How should I assess student writing  
 How do I manage writing conferences  
 How can I help my students revise and self edit  
 This book is a handy reference tool for answering specific questions as they pop up during the year  
 Overmeyer uses student examples throughout to help teachers envision these solutions in their own classes and he includes an array of classroom tested ideas for multilingual learners  
 There may not be any easy answers to the complexities of writer's workshop but by identifying and providing advice on common stumbling blocks the second edition of When Writing Workshop Isn't Working provides a solid groundwork freeing up time and creativity for teachers to address the specific needs of their students      **Management Today** Terri A.
