The Dolorous Passion of Our Lord Jesus Christ Anne Catherine Emmerich, 2016-08-31 The following meditations will probably rank high among many similar works which the contemplative love of Jesus has produced but it is our duty here plainly to affirm that they have no pretensions whatever to be regarded as history They are but intended to take one of the lowest places among those numerous representations of the Passion which have been given us by pious writers and artists

and to be considered at the very utmost as the Lenten meditations of a devout nun related in all simplicity and written down in the plainest and most literal language from her own dictation To these meditations she herself never attached more than a mere human value and never related them except through obedience and upon the repeated commands of the directors of The Dolorous Passion of Our Lord Jesus Christ Anne Catherine Emmerich, 2024-04-22 Early in 1813 her conscience doctors discovered stigmata on Emmerich's body Her parish priest summoned two doctors to examine her Three months later when knowledge of the anomaly spread he informed the vicar general With the news making a stir in town the ecclesiastical authorities launched an extensive investigation Many doctors wanted to investigate the case and despite efforts to deter the curious some visitors got entrance because of their rank or status During this time the poet and romanticist Clemens Brentano made his first visit Emmerich claimed that as a child she had visions in which she spoke with Jesus saw people in purgatory and saw the core of the Holy Trinity in the form of three concentric interpenetrating complete spheres The largest but dimmest sphere symbolized the Father core the medium was the Son's core and the smallest and brightest was the Holy Spirit's core Each sphere of the omnipresent God extends to infinity beyond heaven's core According to the Brentano compilation a child believed to be Jesus visited Emmerich during her childhood illness and taught her about plants she should take to heal including Morning Glory flower juice which contains ergine The Dolorous Passion of Our Lord **Jesus Christ** Anna Katharina 1774-1824 Emmerich, 2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Dolorous Passion of Jesus Christ Anna Katharina Emmerich, 2009 The Dolorous Passion of Our Lord Jesus Christ Anna Katarina Emmerick, 2023-04-26 Blessed Anne Catherine Emmerich 1774 1824 was a German mystic and stigmatist known for her visions of the life of Christ the Blessed Virgin Mary and various saints In the Dolorous Passion of Our Lord Jesus Christ Emmerich's extraordinary gift of divine insight as transcribed by her confessor enables us to witness the last days of Jesus Christ's earthly life from the Garden of Gethsemane to His crucifixion and burial The book features an updated biographical foreward about Blessed Anne Catherine Emmerich The Dolorous Passion of Our Lord Jesus Christ Anne Emmerich, 2014-09-02 Whoever reads the life of Anne Catherine Emmerich and her book will be satisfied that no fault can be found in any of these respects either with herself or with her revelations Her book resembles in many points the writings of a great number of saints and her life also

bears the most striking similitude to theirs To be convinced of this fact we need but study the writings or what is related of Saints Francis of Assisi Bernard Bridget Hildegard Catherine of Genoa Catherine of Sienna Ignatius John of the Cross Teresa and an immense number of other holy persons who are less known So much being conceded it is clear that in considering Sister Emmerich to have been inspired by God's Holy Spirit we are not ascribing more merit to her book than is allowed by the Church to all those of the same class They are all edifying and may serve to promote piety which is their sole object We must not exaggerate their importance by holding as an absolute fact that they proceed from divine inspiration a favour so great that its existence in any particular case should not be credited save with the utmost circumspection With regard however to our present publication it may be urged that considering the superior talents of the transcriber of Sister Emmerich's narrations the language and expressions which he has made use of may not always have been identical with those which she employed We have no hesitation whatever in allowing the force of this argument Most fully do we believe in the entire sincerity of M Clement Brentano because we both know and love him and besides his exemplary piety and the retired life which he leads secluded from a world in which it would depend but on himself to hold the highest place are quarantees amply sufficient to satisfy any impartial mind of his sincerity A poem such as he might publish if he only pleased would cause him to be ranked at once among the most eminent of the German poets whereas the office which he has taken upon himself of secretary to a poor visionary has brought him nothing but contemptuous raillery Nevertheless we have no intention to assert that in giving the conversations and discourses of Sister Emmerich that order and coherency in which they were greatly wanting and writing them down in his own way he may not unwittingly have arranged explained and embellished them But this would not have the effect of destroying the originality of the recital or impugning either the sincerity of the nun or that of the writer About half way through an interesting fact about the relationship between Jesus Mary and his Apostles is set forth It is put forward that Jesus is cousin to three of His Apostles The Dolorous Passion of Our Lord Jesus Christ Blessed Anne Catherine Emmerich, 2016-12-03 Blessed Anne Catherine Emmerich was an Augustinian nun at the Convent of Agnetenberg Dulmen Westphalia Germany She lived between 1774 to 1824 During her life God gave her extensive visions of the past the present and the future Many theologians believe that she received from God more visions than any other saint The Sorrowful Dolorous Passion of Our Lord Jesus Christ are the visions of Anne Catherine Emmerich concerning the horrific sufferings our Dear Lord Jesus Christ suffered in his work to save mankind This includes the Last Supper the Agony in the Garden the Arrest the Scourging the Crowning of Thorns the Trial by Pontius Pilate the Carrying of the Cross the Crucifixion and the Dying on the Cross and the Resurrection of Jesus Christ from the dead They are incredibly highly detailed and descriptive revealing to us more information about the Life of Jesus Christ besides what we read of Him in the Bible These excerpts are from the book THE DOLOROUS PASSION OF OUR LORD JESUS CHRIST The addendum on the Resurrection Ascension Day of Pentecost and the Life of Mary after the Ascension of Christ are from the

book The Lowly Life and Bitter Passion of OUR LORD JESUS CHRIST AND HIS BLESSED MOTHER Recorded in the Journals of Clemens Brentano arranged and edited by the Very Reverend Carl E Schm ger C SS R The Passion of the Christ Anne Catherine Emmerich, 2013-05 Anne Catherine Emmerich was an Augustinian nun recognized as the recipient of many mystic gifts and vision She is believed to have received the full stigmata of which she reported suffering the physical effects of Jesus punctured hands feet side and forehead Moved by her religious piety German poet Clemens Brentano was inspired to document her ordeal Brentano spent many months with Anne Catherine as she dictated the details of her encounters which Brentano later compiled into the book The Dolorous Passion of our Lord Jesus Christ In this book Anne Catherine s visions of Christ's agony and death are documented in unimaginable detail While Anne Catherine's sacred wounds were witnessed by many during her time the highly poetical and extravagant imagery in Brentano's book have led scholars to believe that Brentano may have embellished her descriptions as he recorded them Consequently this account of Anne Catherine s visions should be appreciated for its meditative value rather than for its historical accuracy The filmmaker Mel Gibson for his film The Passion of the Christ was also inspired by the diaries of Emmerich The Dolorous Passion of Our Lord Jesus **Christ** Anna Emmerich, 2013-06-13 Anna Catherine Emmerich 1774 1824 was a mystic and stigmatic whose visions became the source of THE DOLOROUS PASSION OF OUR LORD JESUS CHRIST Anne Catherine's visions clearly fall in the category of private revelation Although Sacred Scripture is infallible private revelation is fallible Although God cannot err in anything He does errors can be introduced into private revelation by a misunderstanding on the part of the person who receives the revelation or by an error made by the person who writes down or transmits the revelation Sacred Scripture is immune from these types of error private revelation is not Anne Catherine s visions come from God but they are fallible because they come to us through fallible human persons However her visions are neither mere human meditations nor pious fiction Her account of events in the lives of Jesus and Mary were revealed to her by God Divine Providence Press works to spread the fragrance of Christ throughout the world scattering little petals of providence by means of spiritual classics devotional literature children's books and other writings that incarnate God's beauty and the splendor of truth The Dolorous Passion of Our Lord Jesus Christ Anne Catherine Emmerich, 2014-05-27 Blessed Anne Catherine Emmerich German Anna Katharina Emmerick September 8 1774 OCo February 9 1824 was a Roman Catholic Augustinian nun stigmatic mystic visionary and ecstatic She was born in Flamschen a farming community at Coesfeld in the Diocese of Mnster Westphalia Germany and died in Dlmen aged 49 She was beatified on October 3 2004 by Pope John Paul II Excerpted from Wikipedia the free encyclopedia The Dolorous Passion of Our Lord Jesus Christ Anna Catherine Emmerich, 2006-11-01 The Dolorous Passion of
