History of the Dominion of Canada New England filled up far more rapidly than New France and the test of population was always against the French generation after generation Little by little France s dream of Transatlantic Empire faded away After 1783 it might have been supposed that the History of Canada would be simplified when the History of North America parts into two distinct channels But such is not the case The continual quarrels of the French and British colonists north of the international boundary sometimes on questions of race and sometimes on religion obscure the narrative and interfere with the plain course of material progress The settlement of the United Empire Loyalists in Ontario complicated the pages of history whilst it created a Province Two nationalities were facing one another and Lord Durham observed in his Report 1838 that their antagonism was bitter strong and thoroughly uncompromising The Pax Britannica has settled down long ago upon French and English Roman Catholics and Protestants and the country since the Confederation Bill of 1867 seems to have entered upon a long untroubled era of prosperity but this end was not gained without much delay and many misunderstandings Even now we seem to hear the echoes of the old strife For many years it was the policy of the Home Government to act upon the principle of Divide et impera and to keep the Canadian settlements as distinct as possible from one another fearing rather than favouring the idea of political union Traces of this policy were discernible Lord Durham remarks up to 1817 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Chronology of Canadian History from Confederation in 1867 Up to the End of 1900** John Castell Hopkins,1905 Short History of the Dominion of Canada, from 1500 to 1878 Charles Richard Tuttle,1878 *A History of Canada* Carl Frederick Wittke,1928 Covers Canadian history from colonial beginnings to 1933
