Don Carlo:

The Rough Guide to Opera Matthew Boyden, Nick Kimberley, 2002 Sketches of opera composers opera synopses and CD reviews Don Carlos/Don Carlo Giuseppe Verdi, Joseph Méry, 1992 This guide contains the text of the opera with English translations It also presents the evidence that Don Carlos was an extraordinary achievement in melding two opposing visions of opera the spectacular public aspect of the French tradition with the dramatic concision of the Italian And because of the variety of versions which Verdi sanctioned this debate is open ended *The Opera Manual* Nicholas Ivor Martin, 2013-10-30 You are getting ready for a performance of Donizetti's *L'elisir d'amore* and you have a few questions How many clarinets are in the orchestra How many orchestra members appear onstage How many different sets are there How long does the opera typically run What are the key arias Are any special effects or ballet choreography required Who owns the rights Where was it premiered What are the leading and supporting roles The Opera Manual is the only single source for the answers to these and other important questions It is the ultimate companion for opera lovers professionals scholars and teachers featuring comprehensive information about and plot summaries for more than 550 operas including every opera that is likely to be performed today from standard to rediscovered contemporary works The book is invaluable especially for opera professionals who will find everything they need for choosing and staging operas But it is also a treasure for listeners Similar reference books commonly skip over scenes and supporting characters in their plot summaries lacking even the most basic facts about staging orchestral and vocal requirements The Opera Manual based on the actual scores of the works discussed is the only exhaustive up to date opera companion a recipe book that will enable its readers to explore those operas they know and discover new ones to sample and enjoy The Saga of Red Clothe Steve Nelson, 2013-07-24 Mathias Blacklund was a young boy who dreamed of high adventure After completing the eighth grade his greatest desire was to travel out west and partner up with his hero Kit Carson However he was conflicted because he was at the same time in love with a childhood sweetheart who believed him to be a dreamer He set out to earn money to purchase a team of horses for which to come courting A fellow classmate convinces him to sign up for the Union army as a drummer boy As with the best laid plans they often go awry Mathias Blacklund now Matt Black was reassigned to the artillery It was while serving in the artillery he acquired a superb horse sword red kerchief and reputation as the infamous Red Rider At the wars end he was a decorated commissioned officer His plans to lead a cavalry troop out west were dashed when the army wanted to demote him and make him a recruiting sergeant Disillusioned and dismayed he and his famous horse Ragnar head to Texas in search of adventure Along the way he meets Abby the love of his life and lifetime partner Arriving in Texas they settled on a small ranch Matt supplemented his income by first becoming a Texas Ranger and then a US Marshal With his partner Virgil Cameron they would become two of the most feared law enforcement officers of Texas This is a saga of their lives and of their families The Opera Companion George Whitney Martin, 2008-03 Provides synopses of forty seven operas a history of the

opera and a glossary of operatic terms *The Complete Works* Thomas Otway,1926 *When Jack Was with Us* B. K.
