**Under a Bad Sign** Jonathan Munby, 2011-07-15 What accounts for the persistence of the figure of the black criminal in popular culture created by African Americans Unearthing the overlooked history of art that has often seemed at odds with the politics of civil rights and racial advancement Under a Bad Sign explores the rationale behind this tradition of criminal self representation from the Harlem Renaissance to contemporary gangsta culture In this lively exploration Jonathan Munby takes a uniquely broad view laying bare the way the criminal appears within and moves among literary musical and visual arts Munby traces the legacy of badness in Rudolph Fisher and Chester Himes's detective fiction and in Claude McKay Julian Mayfield and Donald Goines's urban experience writing Ranging from Peetie Wheatstraw's gangster blues to gangsta rap he also examines criminals in popular songs Turning to the screen the underworld films of Oscar Micheaux and Ralph Cooper the 1970s blaxploitation cycle and the 1990s hood movie come under his microscope as well Ultimately Munby concludes that this tradition has been a misunderstood aspect of African American civic life and that rather than undermining black culture it forms a rich and enduring response to being outcast in America

**A History of the African American Novel** Valerie Babb, 2017-07-31 A History of the African American Novel offers an in depth overview of the development of the novel and its major genres In the first part of this book Valerie Babb examines the evolution of the novel from the 1850s to the present showing how the concept of black identity has transformed along with the art form The second part of this History explores the prominent genres of African American novels such as neoslave narratives detective fiction and speculative fiction and considers how each one reflects changing understandings of blackness This book builds on other literary histories by including early black print culture African American graphic novels pulp fiction and the history of adaptation of black novels to film By placing novels in conversation with other documents early black newspapers and magazines film and authorial correspondence A History of the African American Novel brings many voices to the table to

broaden interpretations of the novel's development      **Encyclopedia of Hip Hop Literature** Tarshia L. Stanley, 2008-12-30

Hip Hop literature also known as urban fiction or street lit is a type of writing evocative of the harsh realities of life in the inner city. Beginning with seminal works by such writers as Donald Goines and Iceberg Slim and culminating in contemporary fiction, autobiography, and poetry, Hip Hop literature is exerting the same kind of influence as Hip Hop music, fashion, and culture. Through more than 180 alphabetically arranged entries, this encyclopedia surveys the world of Hip Hop literature and places it in its social and cultural contexts. Entries cite works for further reading, and a bibliography concludes the volume. Coverage includes authors, genres, and works as well as on the musical artists, fashion designers, directors, and other figures who make up the context of Hip Hop literature. Entries cite works for further reading, and the encyclopedia concludes with a selected general bibliography. Students in literature classes will value this guide to an increasingly popular body of literature, while students in social studies classes will welcome its illumination of American cultural diversity.
