Donald Coggan Margaret Pawley,2000-12 *The Beginning of Tomorrow* John Gaunt Hunter,2019-05-01 A unique account of a little known yet momentous effort to join forces in proclaiming the gospel in a society shaped by increasing decline in church attendance and major social challenges **Love's Redeeming Work** Geoffrey Rowell,Kenneth Stevenson,Rowan Williams,2003-10-23 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access Love s Redeeming Work draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer s selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them Love s Redeeming Work traces a path that has enabled Anglicanism in particular and the wider church as well to develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain their own quest for holiness **Anglican Confirmation 1945-2000** Phillip Tovey,2025-06-27 The focus of this book is the theology liturgy and practice of Anglican Confirmation from 1945 to 2000 It is the third book in a series on Anglican Confirmation The first chapters look at confirmation on a global and ecumenical level How have questions about the place and performance of confirmation changed Then there is a series of case studies from North America Europe and the wider world Two chapters are on the theology and practice of the Church of England Attention is given to liturgical reform theological discussion and practice including statistics In some chapters there are case studies of individual dioceses or bishops to give snapshots of theology in action This book uses innovative visualization techniques to present data and uses textual network analysis to map the interrelationships of provinces at a liturgical level The ecumenical baptismal unity agenda from Vatican 2 and the World Council of Churches underlies the theological critique This will be of great value to those in liturgical studies church history Anglican studies and to all bishops and clergy involved in confirmation
