Donovan Americas Master Spy:

Donovan Richard Dunlop, 2014-02-04 The fascinating biography of the man who laid the foundation for the CIA One of the most celebrated and highly decorated heroes of World War I a noted trial lawyer presidential adviser and emissary and chief of America s Office of Strategic Services during World War II William J Donovan was a legendary figure Donovan originally published in 1982 penetrates the cloak of secrecy surrounding this remarkable man During the dark days of World War II Wild Bill Donovan more than any other person was responsible for what William Stevenson author of A Man Called Intrepid described as the astonishing success with which the United States entered secret warfare and accomplished in less than four years what it took England many centuries to develop Drawing upon Donovan s diaries letters and other papers interviews with hundreds of the men and women who worked with him and spied for him and declassified and unpublished documents author Richard Dunlop himself a former member of Donovan s OSS traces the incredible career of the man who almost single handedly created America s central intelligence service The result is the definitive biography that Donovan himself had always expected Dunlop would write Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Donovan, America's Master Spy Richard Dunlop, 1982 The fascinating biography of the man who laid the foundation for the CIA One of the most celebrated and highly decorated heroes of World War I a noted trial lawyer presidential adviser and emissary and chief of America s Office of Strategic Services during World War II William J Donovan was a legendary figure This book penetrates the cloak of secrecy surrounding this remarkable man During the dark days of World War II Wild Bill Donovan more than any other person was responsible for what William Stevenson author of A Man Called Intrepid described as the astonishing success with which the United States entered secret warfare and accomplished in less than four years what it took England many centuries to develop

American Intelligence in War-time London Nelson MacPherson, 2003-03-30 Based on OSS records only recently released to US National Archives and on evidence from British archival sources this is a thoroughly researched study of the Office of Strategic Services in London The OSS was a critical liaison and operational outpost for American intelligence during World War II

Boris III of Bulgaria Pashanko Dimitroff, 1986

The Life of Nelson A. Rockefeller Cary Reich, 1996 Of all the great American dynastic families few could match the combined wealth power and influence of the Rockefellers And of all the Rockefellers none was more determined to use these advantages than Nelson A Rockefeller Nelson was never content to live off the fame and fortune due him as a Rockefeller His imperious grandfather John D Rockefeller and intimidating father John Jr set standards

and boundaries that Nelson blithely ignored He pushed for position within the family and then broke a family taboo by taking his ambition to the forbidden world of politics Handsome ferociously energetic charming and ruthless Rockefeller had a rapacious appetite for life and for power that showed itself in the stunning breadth of his activities and in the daring of his ideas Nelson s sunny optimistic demeanor masked a Machiavellian mind At a young age he wrested control of the Rockefeller Center project from his father s minions turned the Museum of Modern Art into a world class institution used a midlevel bureaucratic position during World War II to run the affairs of an entire continent through pure ego and drive he bent the United Nations conference to his will and redirected the path of history Nelson A Rockefeller s fierce drive to achieve would have a profound effect on a city a state a nation and the world Reich enjoyed unprecedented access to the Rockefeller family archives scrutinized FBI and FOIA files and interviewed over three hundred individuals for the book including many who had never spoken about Rockefeller for the record

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Empire of Ideas Justin Hart, 2013-02-14 Covering the period from 1936 to 1953 Empire of Ideas reveals how and why image first became a component of foreign policy prompting policymakers to embrace such techniques as propaganda educational exchanges cultural exhibits overseas libraries and domestic public relations Drawing upon exhaustive research in official government records and the private papers of top officials in the Roosevelt and Truman administrations including newly declassified material Justin Hart takes the reader back to the dawn of what Time Life publisher Henry Luce would famously call the American century when U S policymakers first began to think of the nation s image as a foreign policy issue Beginning with the Buenos Aires Conference in 1936 which grew out of FDR s Good Neighbor Policy toward Latin America Hart traces the dramatic growth of public diplomacy in the war years and beyond The book describes how the State Department established the position of Assistant Secretary of State for Public and Cultural Affairs in 1944 with Archibald MacLeish the Pulitzer Prize winning poet and Librarian of Congress the first to fill the post Hart shows that the ideas of MacLeish became central to the evolution of public diplomacy and his influence would be felt long after his tenure in government service ended The book examines a wide variety of propaganda programs including the Voice of America and concludes with the creation of the United States Information Agency in 1953 bringing an end to the first phase of U S public diplomacy Empire of Ideas remains highly relevant today when U S officials have launched full scale propaganda to combat negative perceptions in the Arab world and elsewhere Hart s study illuminates the similar efforts of a previous generation of policymakers explaining why our ability to shape our image is in the end quite limited

Spy Sites of New York City H. Keith Melton, Robert Wallace, 2020-02-03 Through every era of American history New York City has been a battleground for international espionage where secrets are created stolen and passed through clandestine meetings and covert communications Some spies do their work and escape while others are compromised imprisoned and a few executed Spy Sites of New York City takes you inside this shadowy world and reveals the places where it all happened In 233

main entries as well as listings for scores more spy sites H Keith Melton and Robert Wallace weave incredible true stories of derring do and double crosses that put even the best spy fiction to shame The cases and sites follow espionage history from the Revolutionary War and Civil War to the rise of communism and fascism in the twentieth century to Russian sleeper agents in the twenty first century The spy sites are not only in Manhattan Brooklyn Queens and the Bronx but also on Long Island and in New Jersey Maps and 380 photographs allow readers to follow in the footsteps of spies and spy hunters to explore the city tradecraft and operations that influenced wars hot and cold Informing and entertaining Spy Sites of New York City is a must have guidebook to the espionage history of the Big Apple **Arts & Humanities Citation Index** ,1984

A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals *Wild Bill Donovan* Douglas Waller,2011-02-08 Entertaining history Donovan was a combination of bold innovator and imprudent rule bender which made him not only a remarkable wartime leader but also an extraordinary figure in American history The New York Times Book Review He was one of America s most exciting and secretive generals the man Franklin Roosevelt made his top spy in World War II A mythic figure whose legacy is still intensely debated Wild Bill Donovan was director of the Office of Strategic Services the country s first national intelligence agency and the father of today s CIA Donovan introduced the nation to the dark arts of covert warfare on a scale it had never seen before Now veteran journalist Douglas Waller has mined government and private archives throughout the United States and England drawn on thousands of pages of recently declassified documents and interviewed scores of Donovan s relatives friends and associates to produce a riveting biography of one of the most powerful men in modern espionage Wild Bill Donovan reads like an action packed spy thriller with stories of daring young men and women in the OSS sneaking behind enemy lines for sabotage breaking into Washington embassies to steal secrets plotting to topple Adolf Hitler and suffering brutal torture or death when they were captured by the Gestapo It is also a tale of political intrigue of infighting at the highest levels of government of powerful men pitted against one another Separating fact from fiction Waller investigates the successes and the occasional spectacular failures of Donovan s intelligence career It makes for a gripping and revealing portrait of this most controversial spymaster

The Seduction of Brazil Antonio Pedro Tota,Daniel J. Greenberg,2009-08-01 Following completion of the U S air base in Natal Brazil in 1942 U S airmen departing for North Africa during World War II communicated with Brazilian mechanics with a thumbs up before starting their engines This sign soon replaced the Brazilian tradition of touching the earlobe to indicate agreement friendship and all that was positive and good yet another indication of the Americanization of Brazil under way during this period In this translation of O Imperialismo Sedutor Antonio Pedro Tota considers both the Good Neighbor Policy and broader cultural influences to argue against simplistic theories of U S cultural imperialism and exploitation He shows that Brazilians actively interpreted negotiated and reconfigured U S culture in a process of cultural recombination The

market he argues was far more important in determining the nature of this cultural exchange than state directed propaganda efforts because Brazil already was primed to adopt and disseminate American culture within the framework of its own rapidly expanding market for mass culture By examining the motives and strategies behind rising U S influence and its relationship to a simultaneous process of cultural and political centralization in Brazil Tota shows that these processes were not contradictory but rather mutually reinforcing The Seduction of Brazil brings greater sophistication to both Brazilian and American understanding of the forces at play during this period and should appeal to historians as well as students of Latin America culture and communications

The Counterintelligence Chronology Edward Mickolus, 2015-09-15 Spying in the United States began during the Revolutionary War with George Washington as the first director of American intelligence and Benedict Arnold as the first turncoat The history of American espionage is full of intrigue failures and triumphs and motives honorable and corrupt Several notorious spies became household names Aldrich Ames Robert Hanssen the Walkers the Rosenbergs and were the subjects of major motion pictures and television series Many others have received less attention This book summarizes hundreds of cases of espionage for and against U S interests and offers suggestions for further reading Milestones in the history of American counterintelligence are noted Charts describe the motivations of traitors American targets of foreign intelligence services and American traitors and their foreign handlers A former member of the U S intelligence community the author discusses trends in intelligence gathering and what the future may hold An annotated bibliography is provided written by Hayden Peake curator of the Historical Intelligence Collection of the Central Intelligence Agency

American History for Children and Young Adults Vandelia VanMeter, 1990 An index to recommended books about people and events in US history Books are included if they were reviewed between 1980 and 1988 in journals commonly available in small to medium sized public and school libraries Annotations provide complete bibliographic data recommended grade level and citations to the journal reviews The arrangement is by time period subdivided by subject Also available on disk for the Apple Mac and IBM Annotation copyrighted by Book News Inc Portland OR
