## **Dont Eat The Marshmallow Yet The Secret To Sweet Success In Work And Life:**

**Don't Eat the Marshmallow Yet!** Joachim de Posada, Ellen Singer, 2005-09-06 Learn how to achieve success and eat your marshmallows too with this motivational life changing book What explains the difference between success and failure And what does it mean to you and your children The answer lies in a landmark Stanford University study Children were left in a room each with a marshmallow and given the choice of eating it then or fifteen minutes later when they were promised an extra marshmallow as a reward for waiting Some ate theirs right away Others waited But the study's real significance came a decade later when the researchers discovered that the children who held out for the reward had become more successful adults than the children who gobbled their marshmallows immediately The lesson wasn't lost on Joachim de Posada a world renowned motivational speaker to thousands of corporate executives and professional athletes The marshmallow theory answered a thirty year quest to find a compelling explanation for why some people succeed and others fail Posada was convinced that the key difference between success and failure is not merely hard work or superior intelligence but the ability to delay gratification Marshmallow resisters achieve high levels of success while the rest of us eat all our marshmallows at once so to speak accumulating debt and dissatisfaction no matter what our occupations or incomes But it doesn't have to be that way Using a simple parable and real life examples including basketball great Larry Bird and major league baseball catcher Jorge Posada Joachim's cousin this book shows you how the moves you make today can pay off big tomorrow if you just don't eat the marshmallow yet

**Don't Gobble the Marshmallow Ever!** Joachim de Posada, Ellen Singer, 2007-11-06 Maintain the Marshmallow Principle with this follow up to the international bestseller Everyone's favorite stumbling striver returns in another simple and telling parable from acclaimed motivational expert Joachim de Posada Arthur has been practicing the principles of success but after he accepts a lucrative new job he finds himself reverting to his old gobbling habits Perfect for anyone in transition this book explains how to apply the principles of success to changing circumstances In our go go culture wait has become the most offensive of four letter words but patience is not the same as self sacrifice and holding out for something you really want is far more satisfying than settling for whatever is available Don't Gobble the Marshmallow Ever teaches the importance of lifelong non nibbling and promises sweet rewards

**The Self-Propelled Advantage** Joanne Calderwood, 2012-10-01 A home education expert and mother of eight shares her experiences and insights into harnessing a child's natural desire to learn Joanne Calderwood has been a popular magazine columnist for several years and has become a popular speaker at home education conferences across the country Her self propelled philosophy of education has transformed lives across the nation and around the world In The Self Propelled Advantage Calderwood shares her wisdom experience and philosophy of education and parenting as borne out in the lives of her own exceptional children Informative and inspiring The Self Propelled Advantage is for any parent who places a high value on their children's education Detailing her methods for raising inquisitive diligent self motivated children Calderwood
