Bob Wosczyk,2008 Times are tough People are losing their homes their jobs and to top it all off the cost of gasoline is going through the roof Good news is hard to find these days It almost makes you want to quit on the game of life Are you starting to lose your will Is the fat lady getting ready to sing Whatever you do DON T LET HER Scream at the top of your lungs WHO SAYS THE FAT LADY HAS TO SING Make the decision that TODAY will be the day that you stop living in fear and start living for your dreams This book will help you conquer the eight fears that make you quit on your lifelong dreams Fear of the Extraordinary Fear of Rising to New Heights Fear of Our Shadow Fear of Our Spouse Fear of Moving Targets Fear of Failure Fear of Unworthiness Fear of Our Life s Purpose When you re fearless you ll live with passion and excitement When you re fearless you won t quit And when you re fearless you can scream out to the world WHO SAYS THE FAT LADY HAS TO SING Create a Desired Future by Working on Your Own Dream

Idowu Kotila,2022-08-01 The book Create a Better Future by Working on Your Personal Dream is to define dreams and elaborate on what the dreams are and what dreaming is not It is a wake up call book for many people who are suffering in the midst of plenty simply because they actually have dreams and talents that can shift them to a better stage of their lives but the fear of the unknown is preventing them from making any move or use their talents to their own advantage and to the benefit of their communities and the world at large The book is also written to let many people who are talented but haven t discovered their talents to discover their talents through examples and advice given in the body of this book and to remind readers that relying on their fathers wealth or their uncles or aunties abroad cannot help their dream Possible channels for fulfilling dreams are touched in the book for as many that are on the crossroads on their way to success to study and be encouraged to put into practice This book is to remind the readers that people are poor not because they don t have money in their bank accounts but because they lack dreams vision and purpose and by exhibiting fear of unknown in their mind Among the aim of this book is to remind the readers that borrowers are slaves to the lenders and to remind them that he who controls your time has control on your destiny and has a great influence on your life That is the case of employers to employees regardless of your position in your present jobs as employee Reasons why many university and college degree certificates holders are poor and serving as slaves to people in authority and the few rich who can take risks and work on their dreams even though they don t bag as much university degree is emphasized on in this book More also one of the major purposes of this book is to remind the brilliant students that school rewards people for their memory Life rewards people for their creativity and ability to solve problems Your degree or certificate is not the cure to poverty the cure to poverty is your ability to see and seize opportunities Possible
