Dont Do That Nancy Wr:

Nancy's War Anne Baker, 2011-02-03 A young mother must battle against tragedy family bitterness and the hardships of war Nancy's War is a compelling wartime saga of family secrets heartache and happy endings from much loved author Anne Baker Perfect for fans of Nadine Dorries and Dilly Court When Nancy Seymour's RAF pilot husband Charles is killed her life falls apart Not only has she lost the man she loved but she also loses her home and must find a way to support herself and their little girl Caro on her own With the outbreak of World War Two Nancy is grateful for the sanctuary offered by Charles's father in the form of a little cottage in the countryside But his mother Henrietta has always disapproved of her son's wife and seems hell bent on making her life a misery Nancy has little idea though of the depths to which Henrietta is prepared to sink With the danger of war ever present Nancy must find the strength to protect those she holds dear through years of hardship and peril And if she survives all this perhaps she can still hope for a second chance at happiness What readers are saying about Nancy's War I was absolutely gutted when I finished this book I absolutely loved it and couldn't put it down I finished it within 24 hours The way this is written is great So easy to read and flows beautifully Another top class book from Anne Baker this lady certainly knows how to keep you interested in a book Funny sad and totally engrossing
