**Don't Wound What You Can't Kill** Jason Ross,2010-02-25 On a dark and cold November night Vincent is on his way to close the biggest deal of his life and pave the way for his dream of opening his own tax firm to become a reality But when he is nearly killed by his cousin s henchmen his life is forever changed Readers can unravel a web of betrayal suspense danger and revenge in Jason Ross gripping novel Don t Wound What You Can t Kill Vincent works for his cousin William and is only disloyal in the way that he is about to abandon him and open his own business He had no intentions on using any of his cousin s money which he could have easily embezzled without his cousin knowing a thing A man with principles Vincent is the one who informed his cousin that his men Harold and Ronald were embezzling from him But he never expected William would repay his loyalty with death Vincent barely escapes with his life stinging at the pain of betrayal His love for accounting and taxes had taken a back step to another more important matter revenge Vincent now knew what he had to do but he wonders at what price he would have to pay for his revenge The choice is obvious and there is no turning back Vincent finally crosses that thin line between good and evil that he had straddled along when he was a child His life as he knew it is over and his life as he never envisioned is just beginning Maybe man really does not have any control over how his life turns out how events both tragic and joyful help frame one s true destiny and set them on their true path Is a life of crime Vincent s true destiny Readers can unravel the answer and witness the intriguing events unfold in Don t Wound What You Can t Kill
