Pushup Central - the TIPS! Rahul Mookerjee, 2023-04-17 **DISCLAIMER** As with my other course *Pushup Central* and every thing else I teach in all my businesses products books courses and manuals be damn sure you're in good physical health before attempting the exercises in this course Now these exercises will GET you into the best

shape of your life if you aren't already but what I am saying is don't just jump from a perch on the sofa to Everest as I state in my other books work up to everything All in dew time as a person recently told me so it works for life fitness everything else Second read these tips not in place of but WITH those in Pushup Central The author is not a medical professional although he has more and useful practical knowledge than most actual medical professional will let on beyond the facade of repeated hospital visits to fatten their wallets and he promises if you DO the thing your abdomen will have the exact opposite impact All puns aside though I Was serious there the advice in book does not take place of that dispensed by a qualified medical professional contact your doctor or medical provider if you have any doubts stop if you experience actual pain and so forth I hate to have to say all this but I do With that said onward INTRODUCTION and why I wrote this book Phew that was a long intro wasn't it or disclaimer So I'll keep it short here no pun intended or I'll TRY and keep it short Basically many of the same reasons I wrote Pushup Central I.e pushups being the mainstay of any serious fitness enthusiast's routine yet being roundly ignored by most folks dispelling the they're too easy or too boring B.S. you keep hearing about them anyone that says that is an utter fool that hasn't done 'em right or has no clue on how to how they only build endurance WRONG Ask Mike Tyson Herschel Walker Ken Shamrock and a host of other illuminaries for one even better DO 'em yourself and you'll see and even if that's all they built what most people need today is a dose of Energizer Bunny if you get my drift what with all the I'm always sick or tired nonsense going on because pushups build every part of your body and turn you into an IRON being literally INDESTRUCTIBLE as a reader wrote in about Pushup Central Because they build a core of steel the grip of Cain and more you've always wanted legs like pillars yes they reduce fat SMELT fat in record time I should say yada nada schnada And more and either go to the benefits portion of this book or in Pushup Central and you'll read more I could literally wax lyrical all day on this Point being though the same two reasons why I despite not liking them too much do a lot of videos It's nigh impossible to put all your knowledge in one book Even if you write that book for years you keep learning the day you put out the book is the day you learn something new and that's how it is you NEVER stop learning As I said in 0 Excuses Fitness that is as close to true mastery as you can get if you were to ask the great Bruce Lee that he'd tell you the same thing too And the same thing goes with non videos Hence an FAQ on pull ups and handstand pushups Hence Gorilla Grip TIPS And hence this book In it you'll find ignored forgotten but EXTREMELY valuable gems nuggets of info that will add to what you learn in Pushup Central and if used correctly they will SKYROCKET your gains beyond belief Perhaps that's why the benefits section in this book is longer than in Pushup Central In the trenches learning is the best learning anyone can hope to receive from the school of HARD knocks or hard workouts And that's the style I bring this to you in as with all my other writing Don't just READ these tips and forget about 'em Don't just implement them once and forget about 'em They deserve to be in your mind every time you knock out a pushup workout or even a set they're that important and you'll soon see why once you start implementing That said onward BENEFITS YOU'LL GET FROM NOT JUST READING but IMPLEMENTING what is taught in

this one of a kind course or manual what have you I love that word manual and word to the WISE these are all benefits you can get from Pushup Central the EXTRA parts in PURPLE are the adds on you get HERE in addition to the above A rock solid midsection and a core that looks like it s carved from STEEL I don t care if you re a boxer or martial artist or just the everyday blob hehe sorry but sometimes one has to be honest we could ALL use that sort of a midsection not to mention the six pack doncha think Your abs will literally HURT smoulder and POP like never before when you implement the EXTRAS IN these tips If you ve been suffering from IBS or flatulence or those annoying issues that make you constantly have to go well you might as well kiss them goodbye once you start on these exercises Constipation Whats that The malady that affects almost everyone including fitness gurus and such Well you ll completely forget what the meaning of that word is almost Literally pushups with these magic tips work your entire core from the inside out like NOTHING ELSE AND NO OTHER exercise workout can or WILL Your entire abdominal region and lower back will become rock solid and health issues will become a thing of the PAST Not to mention your hamstrings groin everything will become way more powerful than it is right now and more flexible Implement the tips here in you ll literally get into supreme martial artist shape with persistence as close to Bruce Lee as you can get You ll build a massive upper body shoulders and chest not to mention slabs of MUSCLE all over back especially the upper back and this won t be the bloated gym muscle you see all over the place that looks good but ain t got squat to back it up hehe pun intended And you ll do so while keeping the lean mean and TONED look STEEL AND WHALEBONE Your legs will get the workout of their lives on some of these pushups believe me now and trust me LATER You ll start to lose FAT that unsightly blubber around your waist and midsection specifically within a FEW workouts That s right and this fat loss will be so RAPID you ll not only wonder where the love handles muffin tops bingo wings etc WENT but you ll be scratching your head in amazement at the sheer SPEED you ll lose weight at It won t just be rapid it might well be permanent so well will you be rewiring your body s circuits once you implement these tips You ll literally be huffing puffing and blowing the dang house down Improved digestion is a given not to mention an increased appetite You ll be able to eat more and still not turn into Tubbo i e no more unsightly lard anywhere on your frame You ll be able to fit into clothes you haven t fit into for years Friends and co workers won t believe the rapid changes in you and will ALL want to know the secret let em in on it if you so desire hehe Perhaps the best thing for the average Joe you won t have any excuses left NOT to workout any more my friend All you have to do is drop down and start on these pushups and as for a space to workout well we ALL have a floor and a few inches of space somewhere don t we Your forearms and grip will increase tremendously Carpal tunnel pain in the wrists etc will become a thing of the past very quickly indeed MY IF there was ONE reason I d urge you to pay heed to these tips its that you ll build a gorilla like grip x10 and CLAWS OF PURE STREAMING STEEL when you implement the tips right You ll feel relaxed throughout the entire day and you ll have an unshakeable laser like confidence about you after just a few workouts confidence that others will NOTICE Here cometh the MAN and confidence that will

propel you UNWAVERED towards whatever goal you set for yourself COMETH THE HOUR COMETH the man folks will say about you LITERALLY that is the confidence and vibe you ll build with these tips and workouts Increased success with the opposite sex is a by product of these workouts I don t know why but pushups lend themselves to a sort of confident demeanor that women or men will pick up on a sort of feeling you CANNOT get from pounding weights galore at the gym If you can handle your own body from all angles and directions you can handle ah but I ll stop there but you get the picture my friend REAL functional strength that STAYS with you regardless of circumstance or situation You ll be able to carry your damsel up several flights of stairs WITHOUT being out of breath and come moving day you ll be tossing sofas around like no one s business And thus forth Mental strength that CANNOT be beat Believe me once you start doing 100 plus or 250 or even the hallowed 500 pushup number per workout you ll develop an unshakeable sense of mental strength which will allow you not just to achieve nigh any goal you set yourself but also to overcome adversity sometimes of the most harrowing kinds and believe me I ve been there on this one And much much more my friend The above is just the proverbial TIP of the iceberg Who is this book for For the every day Joe or Jane that wants to improve their strength and conditioning beyond any sort of belief and quick at that For bloated tubbos looking to lose the lard quick If you re looking to add that extra oomph to an already solid upper body routine this book manual is for YOU If you re looking to build Tyson Herschel Walker like ARMS this book is for you do what the greats did you ll be great too in your way guaranteed natural law of the Universe friend If you re looking to build a REAL 12 pack from the inside out as opposed to the showy tosh at the beach so many guys exult in showing and girls too If you re looking to build strength that never quits on ya amps when you need it If you re looking to build trap power like no other combo of routines can or will build those mountainous GORILLA Traps If you re an ace swimmer elite martial artists triatholoner or Crossfitter looking to UP your game and take it to the next level And lots of other categories not mentioned here Get this NOW my friend It is indeed a MUST HAVE along with Pushup Central Best Rahul Mookerjee
