How to Become a Digital Nomad is the most practical step-by-step guide to living a location-independent digital nomad lifestyle, regardless of your career while making money and doing the work you love. This book is not written in the hypothetical. It is not motivational and philosophical fluff. It is not for backpackers who simply want to teach English. For those who like their job, we provide an actionable guide to help you convince your employer and transition your work to be remote. For those who don't like their job, we will teach you how to find location-independent jobs, start a business, earn money as a freelancer or consultant, and sell your digital nomad lifestyle as a perk to potential clients, customers, or employers. We dive in deep on the following topics:

- Turn any skill into a location-independent career.
- Find a remote job or consulting/freelance clients.
