Bloggng for Beginners Salvador Briggman, 2018-01-26 It was literally insane. I was 24 years old and I felt like I was rich. I could go anywhere at any time and had no one to answer to. At a moment's notice, I could book a trip to Brazil, Spain, South Africa, or France. What's more, I'd make money while I was traveling. The catch was I wasn't rich. Nowhere close. Don't get me wrong, I was making good money. I was living in New York City, I could afford to party, eat out, and even save money. But my time wasn't tied to my money. I was making money in my sleep and not even trying. Sounds like the story behind some kind of scam, right? I thought so, too. I never bought into book titles like The Four Hour Work Week, Rich Dad Poor Dad, or Think and Grow Rich. When I talked about my job with relatives and family members, they'd raise their eyebrows in surprise. They'd look at me doubtfully and say, "And you can make money at that?" Of course, I could. After all, so many people online were making a killing. People couldn't comprehend the fact that I was able to set up a blog so easily and rake in cash even when I was sleeping. I had to be lying or doing something illegal. Otherwise, everyone would be doing it. This book is going to show you exactly how to start your own blog and turn it into a full-time cash-generating machine. I'm going to give you the keys to the kingdom, which will unlock this entirely new career that you never thought possible.
