Book.LIGHTWORKERS 2013. THE BEST,FRIENDLIEST,CERTIFIED,MOST HONEST Maximillien De Lafayette,2013 This book is customer and client s oriented In our research selection and interviews with lightworkers we placed a strong emphasis on customer s best interest Many questions rotate around a lightworker s devotion to his or her client how a practitioner walks an extra mile with a client and the rapport between a lightworker and client Consequently the book was written not to promote particular practitioners but to serve the clients and inform them about lightworkers who care most about them Bottom line is line Protect the interest of clients This is why this book was written Yes this book is customer and client s oriented and it shows in the questions we have asked and we kept asking numerous times with minor variations to be absolutely sure and certain that the lightworkers have properly answered the questions and to give them other opportunities to elaborate further on how indeed they have clients best interest in heart and on their minds **Nature of the Place**
