Doing Justice

Abel Boyer

Doing Justice:

Doing Justice Dennis A. Jacobsen, 2017-05-01 *Doing Justice* introduces readers to congregation based community organizing rooted in the day to day struggles and hopes of urban ministry. It draws from the author's decades long career of personal experience in community organizing ministries. Illustrated with examples from the experience of community organizers, *Doing Justice* weaves theological and biblical warrants for community organizing into concrete strategies for achieving justice in the public arena. It offers sound treatment of fundamental organizing principles like power, self interest and agitation and suggests ways to build and sustain an organization relate to media and corporations and strengthen ministries and empower lay leaders. The second edition includes forewords by veteran pastor activists Bill Wylie Kellermann and Grant Stevensen and a new preface that notes recent changes in organizing describes needed new directions and connections and discusses the significance of new movements such as Black Lives Matter. Also new is Stevensen's running conversation with Jacobsen drawing readers into deeper engagement with organizing practices. Designed for use by congregations and church leaders as well as by ministerial students, *Doing Justice* will open new vistas for community action in support of the poor, the disadvantaged and the disenfranchised of our society. Doing Justice Better David J.

Cornwell, 2007-08-21 An uncompromising appraisal of the unique penal crisis affecting Britain and other Western style democracies. Doing Justice Preet Bharara, 2020-01-21 A New York Times Bestseller. An important overview of the way our justice system works and why the rule of law is essential to our survival as a society from the one time federal prosecutor for the Southern District of New York and host of the *Doing Justice* podcast. Preet Bharara has spent much of his life examining our legal system, pushing to make it better and prosecuting those looking to subvert it. Bharara believes in our system and knows it must be protected but to do so he argues we must also acknowledge and allow for flaws both in our justice system and in human nature. Bharara uses the many illustrative anecdotes and case histories from his storied formidable career, the successes as well as the failures to shed light on the realities of the legal system and the consequences of taking action. Inspiring and inspiringly written, *Doing Justice* gives us hope that rational and objective fact based thinking combined with compassion can help us achieve truth and justice in our daily lives. Sometimes poignant and sometimes controversial, Bharara's expose is a thought provoking, entertaining book about the need to find the humanity in our legal system as well as in our society. Doing Justice, Doing Gender Susan Ehrlich Martin, Nancy C. Jurik, 2006-10-27 Martin and Jurik provide a clear body of evidence illuminating the gendered nature of criminal justice occupations.
