Doit-on Céder Aux Adolescents:

Doit-on céder aux adolescents ? Docteur Patrick Delaroche, 2015-12-01 La puberté est un cap moral et physique. L'adolescent y réagit par la révolte ou la déprime et la relation avec lui est souvent très tendue et passionnelle. Les parents désespérés se croient souvent coupables mais ils doivent surmonter ce sentiment pour rester parents, c'est-à-dire encadrer l'adolescent. Et parce que toute la difficulté pour eux est de ne pas attiser les conflits, ils oscillent alors entre trop permettre et tout interdire. Comment comprendre la révolte et l'agressivité de l'adolescent ? Quelle est la place spécifique du père l'adolescence ? Que cachent les problèmes de scolarité ? Faut-il accepter toutes les extravagances ? Quelle attitude adopter vis-à-vis de la sexualité de l'adolescent ? Comment réagir face aux conduites risquées ? Jusqu'où supporter les difficultés de cohabitation ? Comment aider l'adolescent quand il va mal ? Avec cet ouvrage, le docteur Patrick Delaroche, pédiatre, psychiatre et psychanalyste, auteur notamment de *Adolescence problèmes et de Parents osez dire non*, aide les parents garder leur place, être vigilants sans être intrusifs et concilier indulgence et autorité. Car si l'amour est compréhensif, il implique également d'être ferme. Children and Youth in the Labour Process in Africa Osita Agbu, 2009 Describes the sources, dynamics and consequences of exploiting children and youth in selected French speaking African countries and Nigeria. Covers issues of child trafficking, their working on farms, in prostitution, as dancers, etc. Notes ILO's role and relevant Conventions relating to combating child labour. New Horizons for Canada's Children/Horizons Nouveaux pour les Enfants du Canada B. W. Heise, 1961-12-15 The first Canadian Conference on Children held in the province of Quebec in October 1960 was the culmination of several years of planning and of three years' specific study of projects which dealt with existing programmes for children in Canada. Delegates came from provincial and national organizations and the Conference was supported by a large number of organizations connected with child health, welfare and education. The programme of the Conference was divided into three sections: plenary sessions, group discussions of the projects and group discussion of children under three headings: the early years, the middle years and the transition years. The whole programme covered children from birth to about the age of seventeen. The Proceedings includes the speeches presented at the plenary sessions by Sir Geoffrey Vickers, Chairman of the Research Committee of the British Mental Health Research Fund; Dr K. D. Naegele of the University of British Columbia; and Dr Otto Klineberg of Columbia University; and valuable summaries of discussions by Dr Murray Ross, York University; Mgr Irène Lussier, Université de Montréal; and Dr N. A. M. MacKenzie, University of British Columbia. *Questions éthiques et juridiques dans le secteur des soins infirmiers au Canada - E-BOOK* Margaret Keatings, Pamela Adams, 2024-11-04 Préparez-vous la pratique avec ce texte essentiel consacré aux questions juridiques et éthiques canadiennes. Axé uniquement sur l'environnement en constante évolution et souvent complexe des soins de santé au Canada, *Questions éthiques et juridiques dans le secteur des soins infirmiers au Canada*, Fifth Edition, couvre de manière experte les questions éthiques et juridiques souvent rencontrées auxquelles les professionnels des soins de santé sont confrontés aujourd'hui. Cette édition comprend des discussions sur les perspectives
