Dokumente Zur Berlinfrage 1967/1986:

Dokumente zur Berlin-Frage 1967-1986 Hans H. Mahnke, 2015-02-06 Keine ausführliche Beschreibung für Dokumente zur Berlin Frage 1967 1986 verfügbar Dokumente zur Berlin-Frage, 1967-1986 Hans Heinrich Mahnke, Deutsche Gesellschaft für Auswärtige Politik. Forschungsinstitut, 1987 Keine ausführliche Beschreibung für Dokumente zur Berlin Frage 1967 1986 verfügbar *Bibliographie Mensuelle. Partie I, Livres, Documents Officiels, Publications en Série* United Nations Library (Geneva, Switzerland), 1988 *Germany Divided* A. James McAdams, 1994-08-14 Germany Divided remains one of the most thought provoking and comprehensive interpretations of the forty year relationship between East and West Germany and of the problems of contemporary German unity In this politically controversial and analytically sophisticated account A James McAdams dissects the complex process by which East and West German leaders moved over the years from first pursuing the ideal of German unity to accepting what they believed to be the inescapable reality of division and then finally to meeting the challenges of an unanticipated reunification This new edition contains an epilogue in which McAdams considers some of the political and economic problems faced by eastern and western Germans as they entered their fourth year of living together **The Federal Republic of Germany and the German Democratic Republic in International Relations** Lukas H. Meyer, 1991 **Uniting Germany** Pekka Kalevi Hamalainen, 1994 Focusing on German efforts to unite the country and the international reactions to reunification this text also discusses the connection between the East German mood and Bonn's policies Kohl's role and economic problems It analyzes the causes dynamics and meaning of reunification *Schriften des Forschungsinstituts der Deutschen Gesellschaft für Auswärtige Politik e.V., Bonn*, 1975 **Akten zur auswärtigen Politik der Bundesrepublik Deutschland**, 1990 **The United States Constitution in Its Third Century** American Society of International Law, 1989 *Cold War Metropolis* Scott Douglas Campbell, 1990 *The Federal Republic of Germany at Forty* Peter H. Merkl, 1989-10 The last five years have brought such extraordinary changes to Germany and Europe as to make the previous forty years of Cold War existence seem deceptively placid and well ordered by comparison The collapse of communist rule in East Germany in the midst of massive demonstrations against the Honecker regime in late 1989 were only the beginning The monumental changes that have taken place since have affected all aspects of German identity both inside and outside of the now unified nation This book tackles the question of just where the new Federal Republic of Germany stands after 45 years and where it appears to be headed The central concern of this volume is the nation's evolving united or disunited sense of identity This identity in a constant state of flux takes many forms the striking differences between East and West German views German pacifism and national pride the role of Germany in the world the reemergence of radical right groups and opinions towards foreigners and the right of political asylum Of central interest to scholars of German and European history and politics this book is a thorough assessment of Germany in the post wall era Handwörterbuch zur deutschen Einheit Werner Weidenfeld, Karl-Rudolf Korte, 1992 *Dealing with the Devil* M.

E. Sarotte, 2001 *Dealing with the Devil East Germany Detente and Ostpolitik 1969 1973* Berlin in Geschichte und Gegenwart, 2003 **Victory in Europe?** Sabine Lee, 2001 This examination of the post war relationship between German and Britain compares their different roles outlook and development Sabine Lee considers broad issues such as the comparative senses of national identity destiny and direction and the respective roles of Germany and Britain in Europe and in the world community at large **International Law & Trade Perspective**, 1987 *Handbuch zur deutschen Einheit, 1949-1989-1999* Werner Weidenfeld, 1999 **Beiträge zur Geschichte der Berliner Demokratie, 1919-1933/1945-1985** Felix Escher (Dr. phil.), 1988 Das Historisch-politische Buch Günther Franz, 1953 **Zeitschrift für Geschichtswissenschaft**, 1989
