hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse
but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers
booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large
percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics

house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi The Memoirs of Dolly Morton Hugues Rebell,1966 *The Memoirs of Dolly Morton* Hugues Rebell,1867
