Don Wildmon

Don Wildmon,Donald E. Wildmon,Randall Nulton,1990-07 Recounts efforts of Donald Wildmon executive director of American Family Association and Christian Leaders for Responsible Television to force networks to clean up television Discusses CBS and the miniseries Flesh and Blood debate with Lee Rich producer of Dallas boycott against Sears the Mighty Mouse cocaine snorting scandal boycott forcing 7 Eleven to drop Playboy and protest of The Last temptation of Christ Sex, Religion,

Media Dane S. Claussen,2002-10-16 Each chapter in this unique volume explores intersections of sex religion and media in our society An interdisciplinary cast of contributors examines a wide variety of themes including entertainment producers roles in disseminating sexual and religious content news coverage of stories about sex and religion religious conservatives efforts to influence media coverage of sex and values and how religious consumers are influenced by and react to sexual content in media

Free Expression and Censorship in America Herbert N. Foerstel,1997-04-22 Despite the end of the Cold War America s national security apparatus for controlling information has remained in place However sex and secularism are emerging as the major targets of censorship Federal decency standards have been imposed on art the broadcast media and the Internet Virtually every major political issue of the 1990s abortion campaign finance violence on TV homosexuality indecency on the Internet has First Amendment implications and all are included in this comprehensive encyclopedia This work covers the full history of America s struggle for free expression as well as the contemporary dynamics represented by pop figures like Frank Zappa Howard Stern and Danny Goldberg and politicians like Jesse Helms and Don Edwards It goes beyond other academic works of its kind by recognizing the primacy of the mass media and the Internet in defining the modern contours of the First Amendment

Politics and Religion in the White South Glenn Feldman,2005-09-30 Politics while always an integral part of the daily life in the South took on a new level of importance after the Civil War Today political strategists view the South as an essential region to cultivate if political hopefuls are to have a chance of winning elections at the national level Although operating within the context of a secular government American politics is decidedly marked by a Christian influence In the mostly Protestant South religion and politics have long been nearly inextricable Politics and Religion in the White South skillfully examines the powerful role that religious considerations and influence have played in American political discourse This collection of thirteen essays from prominent historians and political scientists explores the intersection in the South of religion politics race relations and southern culture from post Civil War America to the present when the Religious Right has exercised a profound impact on the course of politics in the region as well as the nation The authors examine issues such as religious attitudes about race on the Jim Crow South Billy Graham s influence on the civil rights movement political activism and the Southern Baptist Convention and Dorothy Tilly a white Methodist woman and her contributions as a civil rights reformer during the 1940s and 1950s The

volume also considers the issue of whether southerners felt it was their sacred duty to prevent American society from moving away from its Christian origins toward a new secular identity and how this perceived God given responsibility was reflected in the work of southern political and church leaders By analyzing the vital relationship between religion and politics in the region where their connection is strongest and most evident Politics and Religion in the White South offers insight into the conservatism of the South and the role that religion has played in maintaining its social and cultural traditionalism

Arresting Images Steven C. Dubin, 2013-10-18 Although contemporary art may sometimes shock us more alarming are recent attempts to regulate its display Drawing upon extensive interviews a broad sampling of media accounts legal documents and his own observations of important events sociologist Steven Dubin surveys the recent trend in censorship of the visual arts photography and film as well as artistic upstarts such as video and performance art He examines the dual meaning of arresting images both the nature of art work which disarms its viewers and the social reaction to it Arresting Images examines the battles which erupt when artists address such controversial issues as racial polarization AIDS gay bashing and sexual inequality in their work *Mother Jones Magazine*, 1992-11 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues Anti-indecency Groups and the Federal Communications Commission Kimberly Zarkin, 2003 By examining the activities of Morality in Media and the American Family Association as related to the FCC this work provides a clear picture of whether these groups have had any impact on the policy making process War of Words George W. Beahm, 1993 A collection of the significant documents from the front lines of the battle between censorship and free speech from such diverse authors as Salman Rushdie Jesse Helms Madonna and Phyllis Schlafly **Advocate**, 1988 **Living with Your Dreams** David Seamands, 1990 The overarching theme of this book is how God works in all things even the seemingly little ones to fulfill the dreams He implants in us and to accomplish His purposes for our lives Preface p 7 **Light**, 1988

Art in the Courtroom Vilis R. Inde, 1998-03-25 Providing legal analysis and touching upon social history and art history themes this work offers an objective review of five art trials Spanning the last 20 years specific areas of law are examined with each trial First and Fifth Amendments copyright law contract law valuation of art and misrepresentation Art outside of the legal vacuum has been embroiled in a battle initiated by social conservatives to promote decency Three trials involving this struggle and the National Endowment of the Arts are analyzed The valuation of art is examined in the context of Andy Warhol's estate and copyright law is considered because of the appropriation of contemporary images by Jeff Koons Although each trial is reviewed distinctly all are interwoven to present major issues relating to contemporary art Entertaining aspects of each trial contribute to the understanding of art and law For art students copyright contract and constitutional analysis in the context of actual hearings is an invaluable resource outlining afforded protections and options To scholars interested in

contemporary art and its encounters with the law this text bridges the gap between two seemingly disparate worlds **The Essential New Art Examiner** Terri Griffith, Kathryn Born, Janet Koplos, 2011 Each section of the book begins with a new essay by the original editor of the pieces therein that reconsiders the era and larger issues at play in the art world when they were first published The result is a fascinating portrait of the individuals who ran the New Art Examiner and an inside look at the artistic trends and aesthetic agendas that guided it Derek Guthrie and Jane Addams Allen for instance had their own renegade style James Yood never shied away from a good fight And Ann Wiens was heralded for embracing technologies and design The story of the New Art Examiner is the story of a constantly evolving publication shaped by talented editors and the times in which it was printed Chronicles , 1991 **Salt & Light** David J. Gyertson, 1993 Does anybody in our generation have enough insight to shine a light into the darkness creeping across our land Where can we find thoughtful analysis of tough issues that does not lend itself to simple yes or no answers Analysis that is credible to Christians and non Christians alike **Forthcoming Books** Rose Arny, 1990 **Culture Wars** Roger Chapman, 2010 Featuring hundreds of A Z entries and numerous photos the set examines the history and relevance of the issues events controversies personalities groups and concepts that have contributed to the political and social polarization of American society over recent decades It details hot button topics as well as the role of the media in defining and shaping these issues everything from abortion the Christian Coalition the environmental movement feminism and gay rights to illegal aliens pornography stem cell research Watergate and zero tolerance A topic finder bibliography and index add to the set s utility
