The Donald Westlake Omnibus Donald E. Westlake, 1995-01 **The Parker Omnibus** Richard Stark, 1997 Three Parker thrillers *The Man With the Getaway Face* *The Outfit* and *Deadly Edge* *Noir Fiction and Film* Lee Clark Mitchell, 2021-11-25 The argument of *Noir Fiction and Film* is curiously counterintuitive that in a century of hard boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre Among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes What weaves together such features however seems to be a paradox that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the suspense we also desire Yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces As the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning **Science Fiction and Fantasy Literature, Vol 1** R. Reginald, 2010-09-01 *Science Fiction and Fantasy Literature A Checklist 1700 1974* Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index **Sequels** Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

Whodunit? Henry Raymond Fitzwalter Keating, 1982 **Stephen King** Bev Vincent, 2022-09-13 Take an intimate tour through the life and works of Stephen King made vivid with rare photos and ephemera from King's personal collection Even if you are a die hard fan you will find something new in this beautifully packaged Stephen King reference that you will return to again and again Timed to celebrate Stephen King's 75th birthday on September 21 2022 *Stephen King A Complete Exploration of His Work Life and Influences* reveals the inspiration behind the prolific author's brilliant works of horror through a combination of photos and documents from King's archives and an engaging account of the stories behind how his novels novellas short stories and adaptations came to be It might sound like a tall tale that Stephen King once met a bartender named Grady in an empty hotel in Colorado or that the celebrated author helped his young daughter bury her cat in a nearby pet cemetery after it was killed on a busy roadway In this book discover how King drew on these and more real personal experiences and mundane life events then employed his extraordinary imagination to twist them into something horrific From impoverished university student to struggling schoolteacher to one of the best selling and most recognizable authors of all time this engrossing book reveals the evolution and influences of Stephen King's body of work over his nearly

50 year career and how the themes of his writing reflect the changing times and events within his life An expansion of Stephen King expert Bev Vincent s *The Stephen King Illustrated Companion* this fully revised redesigned and updated book includes A review of King s complete body of work including *Fairy Tale* published in September 2022 A wealth of rare memorabilia from King s own collection including personal and professional correspondences handwritten manuscript pages book covers movie stills and never before seen excerpts from one of his poems and an unpublished short story Interludes on specific topics such as real life settings that inspired King s writing the editor who discovered him his life as a Boston Red Sox fan and the many awards and honors he has received Insightful quotes from King from interviews over the decades Celebrate the beloved King of Horror with this informational and entertaining look inside King s most iconic titles and the culture they have created **Paperbound Books in Print** ,1961 **The Great American Paperback** Richard A. Lupoff,2001 Few realized in 1938 that a revolution was about to take place A little book appeared in drugstores and on newsstands that would fit into the typical pocket There was no real binding no dust jacket just a colorful laminated cover by summer of 1939 everybody was buying and reading them Regarded by many as disposable distractions a few people put them aside and started collections that we realize are a valuable and collectible archive of American culture From the glittering images of square jawed cowboys to the gritty slum dwellers of social realism *The Great American Paperback* is a bountiful museum of over 600 brilliant covers each of them a miniature gem evocative of the fashions and attitudes of its era book jacket **The British Library General Catalogue of Printed Books 1976 to 1982** British Library,1983 Huxford's Old Book Value Guide Bob Huxford,1991 Nearly 25 000 titles with current values fill this hardbound book Much more than just a typical price guide the book is a directory with scores of actual buyers listed by the subject matter they are searching for as well as dealers offering the books at listed prices It will put you in touch with a person interested in buying or selling the books you have piled on your bookshelves **The British National Bibliography** Arthur James Wells,2003
