Don't Touch Me There children learn the important lesson of respecting personal space and setting healthy boundaries. This gentle story teaches kids that their bodies belong to them and that they have the right to say no whenever something makes them uncomfortable. The story begins with a class lesson where children are introduced to the idea of their safe space or personal bubble. One child demonstrates how to kindly but firmly say, "Please don't touch me there when someone steps too close." Throughout the book, various situations arise where children must assert their boundaries. These moments, filled with confidence and self-respect, show children how to speak up when their personal space is being invaded. The story also emphasizes the importance of talking to trusted adults when something doesn't feel right, reinforcing the message that setting boundaries helps keep children safe. Encouraging words from teachers and parents remind kids that learning to protect their personal space is a crucial step toward building self-respect and staying safe. Don't Touch Me There is a heartfelt and accessible resource for parents, teachers, and caregivers to help children. With simple language, relatable situations, and a clear message of respect, this book empowers children to set boundaries and communicate their needs with kindness and strength.
