**My City Links** My City Links,2020-08-01 WFH An Innovative Concept That Can Get Uncomfortable At Times The world as we know it may not be the same again at least until an effective cure is found for the Coronavirus which has devastated the world since the beginning of 2020 Social distancing has become the norm as has the use of face covers and regular washing of hands to keep the virus at bay The most noticeable and powerful impact has however been on the way we work In our Cover Story we try and understand how the concept of Work From Home or WFH has changed the way people have been living their lives these past few months As we speak to employers and employees there is a noticeable sense of inevitability and resignation that this is something that is not going to change anytime soon *Remote Work Technology* Henry Kurkowski,2021-09-08 Your small business survival guide for the remote work environment In *Remote Work Technology* Keeping Your Small Business Thriving From Anywhere experienced SaaS and telecommunications entrepreneur Henry Kurkowski delivers a step by step walkthrough for using SaaS technology and communication apps to power your small business from anywhere on the planet You ll learn how to capitalize on the ability to hire a geographically distributed workforce and excel at serving clients at a distance You ll also discover why and how you need to alter your approach to management and spot the common pitfalls that litter the way to a truly distributed business This important book includes Valuable case studies of businesses that embraced the reality of remote working during and after the COVID 19 pandemic and cautionary tales of unexpected challenges that arose during the transition Discussions of how to incorporate remote workers into efficient workflows to increase your business productivity Explorations of how to support your employees when you can t just pop into their office Perfect for small business founders owners and managers *Remote Work Technology* is also a must read guide for independent contractors who work directly with small businesses and entrepreneurs *Homesick* Brendan O'Brien,2023-09-19 Nobody who sits in traffic on Sedona Arizona s main stretch or stands shoulder to shoulder in its many souvenir shops would call it a ghost town Neither would anyone renting a room for 2 000 a month or buying a house for a half million dollars And yet the people who built this small town and made it a community are being pushed further and further out Their home is being sold out from under their feet In studying the impact of short term rentals Brendan O'Brien saw something similar happening in places ranging from Bend Oregon to Bar Harbor Maine But it isn't just short term rentals and it's not just tourism towns Neighborhoods in Austin and Atlanta have become rows of investment properties Longtime residents in Spokane and Boston have been replaced by new high salaried remote workers Across the country a level of unaffordable housing that once seemed unique to global cities like New York and San Francisco has become the norm with nearly a third of all US households considered housing cost burdened This situation has been abetted by the direct actions of developers politicians and existing homeowners who have sought to drive up the cost of housing But it's mostly happened due to a society wide refusal to see housing as anything more than real estate another product available to the

highest bidder This trend of putting local housing on a global market has worsened in recent years but is nothing new Housing in the United States has always been marred by racial and income inequality that mocks the country s highest ideals Deeply researched and deeply felt Homesick argues that we can be so much better And we can start where we live
