4-Gen Leadership Mark White,Sami Scarpitti,2024-12-06 4 Gen Leadership Thriving in a Multi Generational Workplace is a practical guide for those aspiring to be multi generational leaders in today s evolving business landscape 4 gen leadership is the philosophy and actions leaders can take to help all generations baby boomers Gen X millennials and Gen Z be accepted honored and united into one effective harmonious team The authors have created a resource that leaders across every industry at all levels of leadership will find useful This book helps established and emerging leaders understand the generations in their workforce and how to bridge the new generation gaps in their organizations Each chapter contains reflective questions to help the readers apply the book s concepts to their work environment a section titled Voices from the Generations which shares insightful views from one of the many successful leaders interviewed for the project a Real World Connection segment which is a scenario in which the readers see how a hypothetical problem might be solved by using a multi gen leadership lens and finally an activity worksheet that points readers toward the next steps they can take to strengthen their multi gen leadership skills and the culture

Hustle Urbanism Tatiana Thieme,2025-03-25 Exploring hustle as a social cultural and economic phenomenon in contemporary Nairobi In Nairobi s underserved neighborhoods hustle has emerged as both a vital survival strategy and a way of life for youth Exploring the multiple meanings and manifestations of the hustle economy across different scenarios of provisioning distribution exchange learning and mobilizing Hustle Urbanism draws on more than a decade of ethnographic engagement to center the logics perspectives and inventive strategies of a group of youth who constantly navigate job scarcity inadequate basic services and climate induced harms Tatiana Thieme shows how young people develop tools of resistance against the legacies of colonial violence and uneven urban development while carving out spaces of opportunity for themselves and their peers The stories she includes bring thick ethnographic detail and longitudinal perspective to the lives and livelihoods of youth whose diverse skill sets and knowledges span from circular economies and eco activism to hip hop and local leadership Filling a significant gap in both existing scholarship and popular discussion Hustle Urbanism offers critical theorization of precarious urban environments and the affirmative modes of making life work in the city against the odds While Thieme cautions against fetishizing hustle as a form of social and economic uplift she calls for a greater recognition of the ingenuity and skill involved in hustle urbanism arguing that studying hustle narratives and practices opens up timely empirical and theoretical questions about overlapping urban struggles and possibilities that coexist in the everyday city Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions
