Logo Design Workbook Sean Adams, Noreen Morioka, Terry Lee Stone, 2006-03-01. Logo Design Workbook focuses on creating powerful logo designs and answers the question: What makes a logo work? In the first half of this book, authors Sean Adams and Noreen Morioka walk readers step by step through the entire logo development process. Topics include developing a concept that communicates the right message and is appropriate for both the client and the market; defining how the client's long-term goals might affect the look and needs of the mark; choosing colors and typefaces; avoiding common mistakes; and deciphering why some logos are successful whereas others are not. The second half of the book comprises in-depth case studies on logos designed for various industries. Each case study explores the design brief, the relationship with the client, the time frame, and the results.

Logo Design that Works Lisa Silver, 2001. Logo design titles continue to sell the most copies of all graphic design subjects. This hard-working title examines 100 logo designs by illustrating how and why the design works. Sidebars compare and contrast rough drafts of popular logos with their final versions, and short tips address issues such as testing designs, sourcing inspiration, and typography. As well, the evolution of well-known logos are traced by examining why design changes were made and how those changes benefited the client and were successful on the market.

Logo Design Love David Airey, 2014-08-18. Completely updated and expanded, the second edition of David Airey's Logo Design Love contains more of just about everything that made the first edition so great: more case studies, more sketches, more logos, more tips for working with clients, more insider stories, and more practical information for getting the job and getting it done right. In Logo Design Love, David shows you how to develop an iconic brand identity from start to finish using client case studies from renowned designers. In the process, he reveals how designers create effective briefs, generate ideas, charge for their work, and collaborate with clients. David not only shares his personal experiences working on identity projects, including sketches and final results of his own successful designs, he also uses the work of many well-known designers such as Paula Scher, who designed the logos for Citi and Microsoft Windows, and Lindon Leader, creator of the current FedEx identity, as well as work from leading design studios including Moving Brands, Pentagram, MetaDesign, Sagmeister Walsh, and many more. In Logo Design Love, you'll learn best practices for extending a logo into a complete brand identity system. Why one logo is more effective than another. How to create your own iconic designs. What sets some designers above the rest. 31 practical design tips for creating logos that last.
